**Chateaubriand and Homer** Charles Randall Hart, 1928 *The Revelation of Jesus Christ* Jon Scott Birch, 2022-09-21 The testimony of Jesus is the spirit of prophecy Rev 19:10 and a prophetic perspective promotes purpose Yet in a world swiftly growing callous true purpose and meaning are fading Many of Jesus disciples today have lost their first love which is Jesus himself Rev 2:4 And too many souls overall miss the wonder inspiration and comfort gained by those who would endeavor toward fuller comprehension of the book of Revelation Blessed are they who read and those who hear the words of this prophecy and keep those things which are written in it for the time is near Rev 1:3 Neglect of the Holy Spirit slothfulness fear and the ongoing confusion generated by competing interpretations and bad theology are the primary obstacles between an individual and the liberation to be had by reading the last book of the Bible We must not forget that while the apostle John wrote the book of Revelation its author is Jesus Christ and he is not an author of confusion but of peace 1 Cor 14:33 This commentary presents a practical discipleship based perspective toward following Jesus into the very heart of his Revelation So as the end of this clamorous age approaches may we truly hear what the Spirit is saying to the churches

**The Misterio de Los Reyes Magos** Winifred Sturdevant, 1927 *A Consuming Passion* Christopher M. Date, Ron Highfield, 2015-10-13 This diverse collection of essays in honor of Edward William Fudge explores the topics of hell and immortality for which Fudge has been widely known through his magnum opus *The Fire That Consumes* Most Christians believe people will live and suffer in hell forever but Fudge defends a view known historically as conditional immortality He and a growing minority of Christians believe God will grant immortality only to those who meet the condition of being united with Christ on the Last Day while those who do not will perish forever Although Christians sharing Fudge's view have defended it both before and after him conditionalists today still point to *The Fire That Consumes* as the seminal treatment of the topic In July 2014 Christians from around the world gathered at the inaugural Rethinking Hell conference to celebrate Fudge's life and work and to discuss the nature of hell in an open and respectful forum This volume contains most of the essays presented at that conference and several others volunteered by conditionalists since then as a gift to Fudge for the tremendous impact he has had on them and
