Vikings Children In History:

What Happened During the Viking Age? | Vikings History Book Grade 3 | Children's Geography & Cultures Books Baby Professor,2021-11-01 Read about the period called the Viking Age Take note of the important dates deeds and exploration of the Atlantic Ocean Learn about the personal characteristics of the Vikings and some of their notorious activities too What an exciting book this is Make sure you buy a copy today so you can start reading right away **Viking History For Kids: A History Series - Children Explore History Book Edition** Baby Professor,2017-02-15 It s the period of the Vikings and wow how interesting that time is Here your child will get to meet and greet some of the bravest men in history Facts about how they lived and what their cultures and traditions are will be effectively tackled in this amazing book for children Make sure you check out a copy today *Children in History* Kate Jackson Bedford,2011 A look at historical periods through the experiences of children of the era **Children of Ash and Elm** Neil Price,2020-08-25 The definitive history of the Vikings from arts and culture to politics and cosmology by a distinguished archaeologist with decades of expertise The Viking Age from 750 to 1050 saw an unprecedented expansion of the Scandinavian peoples into the wider world As traders and raiders explorers and colonists they ranged from eastern North America to the Asian steppe But for centuries the Vikings have been seen through the eyes of others distorted to suit the tastes of medieval clerics and Elizabethan playwrights Victorian imperialists Nazis and more None of these appropriations capture the real Vikings or the richness and sophistication of their culture Based on the latest archaeological and textual evidence *Children of Ash and Elm* tells the story of the Vikings on their own terms their politics their cosmology and religion their material world Known today for a stereotype of maritime violence the Vikings exported new ideas technologies beliefs and practices to the lands they discovered and the peoples they encountered and in the process were themselves changed From Eir k Bloodaxe who fought his way to a kingdom to Gudrid Thorbjarnard ttir the most traveled woman in the world *Children of Ash and Elm* is the definitive history of the Vikings and their time **My Life as a Viking Child in the 800s** Laura Parker,2020-07-01 Hi my name is Dustin My name means Thor s stone in the Viking language I live in Scandinavia around AD 800 900 I also have a sister Ragna Her name means giving advice and boy does she love to give advice Our way of life is very different from yours We had to become tough strong and flexible We were Norwegians Swedes and Danes Our families were farmers traders blacksmiths and craftsman Most of us lived on farms even those who lived in towns had gardens and animals in their yards Everything we needed and used had to be harvested or made by hand Children had to plant and tend the crops Also in the cold winter months when no one really wanted to go outside except when absolutely necessary we kept our animals at one end of the long house with us It did get smelly Another job for children was cleaning out the poop and pee from the animals each day they were in the house I have to say our houses were a bit stinky in the winter Our house is a long house or what you would call a rectangular prism with a fireplace area in the middle and rugs animal skins hanging to divide the rooms

Ragna and I had to comb our hair every morning and we had to take a bath every Saturday You may be wondering if we just walked around in animal skins all day or whether we actually had clothing that looks like it was made of cloth read to find out We Vikings are known for our ships Did you know there are actually two kinds of Viking ships They were called the longships and knarrrs Come along with me and learn about our lives

Histories of the Unexpected: The Vikings Sam Willis,James Daybell,2019-11-07 Histories of the Unexpected not only presents a new way of thinking about the past but also reveals the world around us as never before Traditionally the Vikings have been understood in a straightforward way but the period really comes alive if you take an unexpected approach to its history Yes ships raiding and trade have a fascinating history but so too do hair break ins toys teeth mischief luck and silk Each of these subjects is equally fascinating in its own right and each sheds new light on the traditional subjects and themes that we think we know so well

U.S. History Through Children's Literature Wanda Miller,1997-03-15 Allow students to step back in time to experience the thoughts feelings dilemmas and actions of people from history For each history topic Miller suggests two titles one for use with the entire class and one for use with small reading groups Summaries of the books author information activities and topics for discussion are supplemented with vocabulary lists and ideas for research topics and further reading This integrated approach makes history meaningful to students and helps them retain historical details and facts

The Vikings Reimagined Tom Birkett,Roderick Dale,2020-01-20 The Vikings Reimagined explores the changing perception of Norse and Viking cultures across different cultural forms and the complex legacy of the Vikings in the present day Bringing together experts in literature history and heritage engagement this highly interdisciplinary collection aims to reconsider the impact of the discipline of Old Norse Viking Studies outside the academy and to broaden our understanding of the ways in which the material and textual remains of the Viking Age are given new meanings in the present The diverse collection draws attention to the many roles that the Vikings play across contemporary culture from the importance of Viking tourism to the role of Norse sub cultures in the formation of local and international identities Together these collected essays challenge the academy to rethink its engagement with popular reiterations of the Vikings and to reassess the position afforded to reception within the discipline

History 7-11 Jacqui Dean,Jon Nichol,2002-09-11 Learning history is remembered by many teachers as a passive process involving learning dates In this book the emphasis is on doing history making sense of the past through the process of investigation as a true historian would The authors argue that children should be involved in historical investigations thus developing the skills and processes that underpin historical understanding Using an Action Research approach to improving practice the authors own case study of The Vikings and teachers accounts are used to illustrate different teaching approaches These fully involve the children as historians in an imaginative and creative way Each chapter is supported by exercises and activities which demonstrate how to translate theory into practice together with a specific focus on the problems of planning and resourcing to produce practical teaching strategies
