Tobias Bleicker

Vimeiro 1808 Wellesley's First Victory In The Peninsular Praeger Illustrated Military History Series:

Vimeiro 1808 René Chartrand, 2013-03-20 A fully illustrated exploration of the British fight against Junot's forces occupying Portugal. On 2 August 1808 a British army of 14 000 men began landing north of Lisbon under the command of Sir Arthur Wellesley, the future Duke of Wellington. They were coming to assist the Portuguese, Britain's oldest ally, to liberate their country from its French occupiers. Within a month Wellesley was to win two victories over the French at the battles of Roliça and Vimeiro. General Andoche Junot, the French commander, was forced to surrender and evacuate Portugal. Alongside contemporary artwork and full colour maps, René Chartrand examines the first of Wellesley's string of victories in the Peninsular War. The Journal of Military History, 2005-07 **American Book Publishing Record**, 2003 The British National Bibliography Arthur James Wells, 2002 **Portugal 1808: Wellington's First Peninsular Campaign** Tim Saunders, 2025-01-30 When Napoleon overreached himself by usurping the Bourbon throne of Spain in early 1808, the resulting Spanish resentment and the brutal suppression of the Dos de Mayo Rebellion in Madrid turned Spain a long-term enemy of Britain into an ally. Sir Arthur Wellesley's expedition to South America was promptly cancelled and redirected to the Peninsula. Eventually landing in Portugal at the mouth of the Rio Mondego, the army found itself with little transport but by keeping close to the coast and with logistical support from the Royal Navy, Wellesley set off south to confront Marshal Junot and liberate Lisbon. The first clash of arms was at Obidos, and days later at the Combat of Roliça, Wellesley achieved his first victory in battle against the Willey General Delaborde. With word that reinforcements were expected to arrive at Maceira Bay, the army was deployed at Vimiero to protect their landing. Meanwhile Junot had assembled his army and decided to attack at Vimiero. In a short but hard-fought battle, Wellesley was victorious; however, an opportunity for total defeat of the French was squandered in succession by generals Burrard and Dalrymple, who instead accepted an armistice. This eventually became the notorious Convention of Cintra. **Wellington Against Junot** David Buttery, 2011-07-12 The first French invasion of Portugal in 1807, which was commanded by Junot, one of Napoleon's most experienced generals, was a key event in the long, brutal Peninsular War. It was the first campaign fought in the Peninsula by Sir Arthur Wellesley, later Duke of Wellington, yet it tends to be overshadowed by more famous episodes in the six-year conflict that followed. David Buttery, in this original and perceptive new study, sets the record straight; his tightly focused narrative covers the entire campaign in vivid detail. *Wellington's Campaigns* C. W. Robinson, 2017-04-18 A Leonaur Original never before available in this form. The Duke of Wellington is widely regarded as one of the finest British generals, and there are many books about his most famous campaigns during the Peninsular War in Portugal and Spain against Napoleon's French army. Accounts of Wellington's victory in 1815 at Waterloo, which brought about the final downfall of the emperor, are if anything more numerous; such is the interest in the great captains who faced each other in the most renowned battle in world history. Leonaur has published many histories and personal accounts of those who fought in these campaigns, and although our two linked volumes by C. W.

Robinson concern Wellington in the Peninsular War and Waterloo campaign respectively they are quite different to most other books on the subject In these books originally intended for military students and now of equal value to war gamers the campaigns are described from the perspective of the tactical choices and options open to the antagonists The potential consequences and the outcomes which may have arisen had the choices that were made been from these other options are also discussed These books therefore provide fascinating insights into the business of command set against campaigns that are familiar and of abiding interest to military history students Each volume contains maps and illustrations that did not appear in the texts when originally published in different form Leonaaur editions are newly typeset and are not facsimiles each title is available in softcover and hardback with dustjacket our hardbacks are cloth bound and feature gold foil lettering on their spines and fabric head and tail bands

Wellington's History of the Peninsular War Stuart Reid,2019-07-09

Though pressed many times to write about his battles and campaigns the Duke of Wellington always replied that people should refer to his published dispatches and he refused to add further to his official correspondence famously remarking that The history of a battle is not unlike the history of a ball Some individuals may recollect all the little events of which the great result is the battle won or lost but no individual can recollect the order in which or the exact moment at which they occurred which makes all the difference as to their value or importance Yet Wellington did in effect write a history of the Peninsular War in the form of four lengthy memoranda summarizing the conduct of the war in 1809 1810 and 1811 respectively These lengthy accounts demonstrate Wellington s unmatched appreciation of the nature of the war in Spain and Portugal and relate to the operations of the French and Spanish forces as well as the Anglo Portuguese army under his command Unlike personal diaries or journals written by individual soldiers with their inevitably limited knowledge Wellington was in an unparalleled position to provide a comprehensive overview of the war Equally the memoranda were written as the war unfolded not tainted with the knowledge of hindsight providing a unique contemporaneous commentary Brought together by renowned historian Stuart Reid with reports and key dispatches from the other years of the campaign the result is the story of the Peninsular War told through the writings of the man who knew and understood the conflict in Iberia better than any other These memoranda and dispatches have never been published before in a single connected narrative Therefore Wellington s History of the Peninsular War 1808 1814 offers a uniquely accessible perspective on the conflict in the own words of Britain s greatest general

The Peninsular war, some observations on the general orders of the duke of Wellington, in Portugal, Spain, and France, from 1809 to 1814 Peninsular war,1834
