Violence In The Media Current Controversies:

Adolescents, Crime, and the Media Christopher J Ferguson, 2013-03-29 A campus shooting A gang assault A school bus ambush With each successive event fingers are pointed at the usual suspects violent films bloody video games explicit web sites But to what extent can or should the media be implicated in youth crime And are today's sophisticated young people really that susceptible to their influence Adolescents Crime and the Media critically examines perceptions of these phenomena through the lens of the ongoing relationship between generations of adults and youth A wealth of research findings transcends the standard nature nurture debate analyzing media effects on young people's behavior brain development in adolescence ways adults can be misled about youth's participation in criminal acts and how science can be manipulated by prevailing attitudes toward youth The author strikes a necessary balance between the viewpoints of media providers and those seeking to restrict media or young people's access to them And the book brings scientific and intellectual rigor to culturally and politically charged issues as it covers Violence in the media Media portrayals of crime and youth Research on violent television programs video games and other media as causes of crime Effects of pornography on behavior Public policy censorship and First Amendment issues Adolescents Crime and the Media is an essential resource for researchers graduate students professionals and clinicians across such interrelated disciplines as developmental psychology sociology educational policy criminology criminal justice child and school psychology and media law **A Companion to Media Studies** Angharad N. Valdivia, 2008-04-15 A Companion to Media Studies is a comprehensive collection that brings together new writings by an international team to provide an overview of the theories and methodologies that have produced this most interdisciplinary of fields Tackles a variety of central concepts and controversies organized into six areas of study foundations production media content media audiences effects and futures Provides an accessible point of entry into this expansive and interdisciplinary field Includes the writings of renowned media scholars including McQuail Schiller Gallagher Wartella and Bryant Now available in paperback for the course market Current Controversies and Issues in Personality Lawrence A. Pervin, 1984-02-22 A unique up to date treatment of the controversies and issues in personality research and their social implications Designed as a core or supplemental text for advanced undergraduate or graduate students taking introductory personality courses Examines the relationship between the individual's behavior and a given situation the nature nurture controversy determinants of aggression emotions personality and change and more Familicide, Gender and the Media Denise Buitén, 2022-11-17 This book examines the complex issue of familicide suicide the murder of a partner and children followed by suicide The purpose of the book is two fold to advance a feminist sociological analysis of familicide as a form of gender based violence and to examine how it is reported on in news The first section contextualises interpretations of familicide against the dual ascendancy of and contestation around feminist and mental illness discourses in public policy and debate Advancing a feminist sociological analysis of familicide suicide it shows the value of continuum

thinking for understanding complex and varied forms of gender based violence Section Two examines Australian news reporting on familicide suicide showing the ways cultural assumptions about domestic and family violence and mental illness shape news reporting It analyses how discourses of gender disability age and the family serve to rationalise certain news frames and reflects on the thorny ethical issues inherent in reporting on familicide Arguing for a nuanced approach to gender based violence and how it is reported this book will be of interest for scholars of gender and violence as well as media and journalism
