Wallace, Oluwagbenga (Michael) Akinlabi, Juan Carlos Ruiz-Vásquez, 2022-11-11 Policing the Global South provides scholarship which further transnationalises and democratises ideas about policing practices and philosophies highlighting

renovations in approaches to policing studies and injecting innovative perspectives into the study of policing from scholars positioned on the periphery Criminological knowledge depolarisation underscores a conscious effort by scholars from the Global South to increase intellectual knowledge focused on developing context specific responses to issues not aligned to Northern ideological positions and specific to the non Northern context Such shifts draw attention to the expanse of spaces beyond Northern centres rife with challenges unlike any specific to those experienced or conceptualised by scholars from the Global North with an applied Northern criminological lens Applying a postcolonial lens to empirical knowledge from country specific cases in former colonies in Africa Asia the Caribbean the Pacific and Latin America this book examines how policing issues not aligned to Northern ideological positions and specific to non Northern contexts are addressed The primary purpose is to share innovations in the field of policing service provision threats to security crime responses justice and international trends developed in postcolonial developing country contexts Given the aim of the book and the contributors own research on issues of policing across the globe it discusses themes including but not limited to the colonial legacies and their impact on policing how plural regulatory systems and partnerships are navigated by the police the linkages between access to justice community perceptions and police legitimacy innovations and challenges in organisational reform crime prevention and community partnerships and the expanding roles of police organisations in the Global South While each chapter presents a policing issue in a country within a specific part of the Global South the book highlights how important it is to frame responses based on contextual realities informed by an awareness of the past and present with a goal of informing the future Delivering a much needed introduction to those specialising in policing in developing countries this book is invaluable reading for academics and students of criminology criminal justice governance policy and IR as well as professionals in policing organizations across the globe

*Non-State Challenges in a Re-Ordered World* Stefano Ruzza, Anja P Jakobi, Charles Geisler, 2015-10-14 There is a sprawling scholarship on violence crime and corrupt state rule yet few have interpreted these challenges as transformative at the global scale and as a potential source of alternative non state legitimacy This volume challenges Westphalian conservatism in a provocative yet plausible manner shedding light at the ubiquity and diversity of unfolding non state agendas and at their effect on the imagined state community Focusing on civil war parties warlords commercial providers of security multinational companies and criminal organizations the book directs attention to theoretical questions and policy challenges arising from non state armed expansion To accomplish this the contributors present a range of case studies and comparisons within three thematic sections the first takes stock of how when and in what measure state and state system legitimacy are challenged by non state violent or criminal activity the second addresses the nature effectiveness and side effects of different state mandated reaction to non state activities and third focuses on the recombination of state and non state actors contributing to processes of socio political transformation This volume provides a current analysis of different armed and violent actors encroaching on the state s monopoly of violence

It seeks to spark debate about global political change and will be of interest to students and scholars of global governance global security and international relations      **Institutional Bypasses** Mariana Mota Prado,Michael J. Trebilcock,2018-11-22 Analyzes institutional bypasses a strategy to promote change and implement reforms in developing countries      **Latin American Democracies** John A. Peeler,1985 Using the cases of Columbia Costa Rica and Venezuela Peeler compares the evolution and maintenance of liberal democratic regimes in the Latin American context These regimes are shown to be products of the normal Latin American political processes under particular conditions that have permitted accommodation between rival political and economic elites The author argues that these liberal democracies are fundamentally similar to those in other parts of the world Originally published in 1985 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value      **Outlawed** Daniel M. Tulchin,Meg Ruthenburg,2007 Is democracy in Latin America in trouble as many now argue This book focuses on citizenship to shed light on the dynamics and obstacles that the region s democracies face It places citizenship in the context of democratic theory and explores varying conceptions of the term      **Latin America Transformed** Robert N. Gwynne,Cristóbal Kay,2004 Now in a second edition this book explains Latin America s economic political social and cultural transformations its association with globalization and search for modernity and how these transformations are affecting the people of the region Using a political economy approach to unravel these concepts the emphasis is placed on interpreting the macro level structures that frame the transformations taking place Updated and revised to include more student friendly features the authors have substantially rewritten the material including three new chapters to examine the challenges facing Latin American in the twenty first century      **Civil Society and Social Movements** Arthur L. Domike,2008      **Violence and Crime in Latin America** Gema Santamaría,David Carey,2017-02-21 According to media reports Latin America is one of the most violent regions in the world a distinction it held throughout the twentieth century The authors of Violence and Crime in Latin America contend that perceptions and representations of violence and crime directly impact such behaviors creating profound consequences for

the political and social fabric of Latin American nations Written by distinguished scholars of Latin American history sociology anthropology and political science the essays in this volume range from Mexico and Argentina to Colombia and Brazil in the twentieth and twenty first centuries addressing such issues as extralegal violence in Mexico the myth of indigenous criminality in Guatemala and governments selective blindness to violent crime in Brazil and Jamaica The authors in this collection examine not only the social construction and political visibility of violence and crime in Latin America but the justifications for them as well Analytically and historically these essays show how Latin American citizens have sanctioned criminal and violent practices and incorporated them into social relations everyday practices and institutional settings At the same time the authors explore the power struggles that inform distinctions between illegitimate versus legitimate violence

*Violence and Crime in Latin America* makes a substantive contribution to understanding a key problem facing Latin America today In its historical depth and ethnographic reach this original and thought provoking volume enhances our understanding of crime and violence throughout the Western Hemisphere *Cambridge Anthropology* ,2007 **Peace Research Abstracts Journal** ,2005 **Making Sense of Media** George R. Rodman,2001 This dynamic new book on introductory mass communication uses a unique narrative approach to help readers understand a broad and constantly changing field while encouraging them to become critical consumers of media Where did the media come from Why do media industries do what they do And why do some of these actions cause controversies *Making Sense of Media* employs a three part narrative framework in every chapter that examines history industry and controversies Important topics such as new technology globalization diversity convergence and conglomeration are integrated throughout For anyone interested in learning more about mass communication on an introductory level
