Awaken Terry Nance,2015-12-10 We live in a time when the church is failing to live up to its own standards It has tragically been losing the respect of those it tries to win to Christ because it has succumbed to sin pride and corruption In the past a lost world looked to the church as the example of hope and integrity today many people laugh or roll their eyes when the church is mentioned It has largely lost its relevance in the world In Awaken best selling author Terry Nance has composed a series of letters to younger and newer believers aiming to help them avoid many of the sins and mistakes of their spiritual fathers as they hold high the standard of the kingdom of God with which they have been entrusted We the church must realize that we are called to be kingdom leaders for Jesus Christ not empire builders for ourselves We must awaken to the understanding that we carry Jesus to this world and His spirit within us must be reflected in everything we do Nance s challenge is clear Set a standard of holiness in your own life endure affliction as a good soldier of Christ run your race with patience and persevere until you come to the finish line As you do you will leave behind an army of leaders in the next generation who can take up your banner for Jesus and carry it forward with honor Charisma and Christian Life ,2004-07
