

Vistas Supersite

- ▶ The **Supersite** is an interactive website from Vistas Higher Learning that is used for GMC Online Spanish courses (101, 102, and 201). It employs written, aural, oral and video exercises; revision material; lab manuals; interactive learning; cultural readings; and assessments.
- ▶ Vistas Supersite includes a “**v-Text**,” which is the Vistas (5th ed.) textbook embedded within the Supersite. This means that students do not have to have a physical copy of the course textbook; the code alone gives them access to both the Supersite and the v-text.
- ▶ The Supersite includes a gradebook for students to manage grades and a “my results” tab for students to view and monitor their grades. The software also allows students to send a note to the instructor when they have questions about their grades (grade review request); and allows the instructor to write comments on the answers provided by students in any activity.
