SERVICE MANUAL

IMPORTANT NOTICE

This manual has been provided for the use of authorized Yamaha dealers and their service personnel. It has been assumed that basic service procedures intended to the industry, and more specifically, Yamaha dealers, or authorized repairmen, are observed by the users, and that the safety of the user is maintained.

WARNING: Failure to follow appropriate service and safety procedures when working with a product may result in personal injury, destruction of expensive components and failure of the product to perform as specified. For these reasons, we advise a Yamaha product owner that all service work must always be performed by an authorized Yamaha Dealer or the designated local representative.

IMPORTANT: The presentation or use of this manual to any individual or firm does not constitute authorization, certification, recognition of any applicable technical capabilities, or detailed or a principle subject the knowledge of an owner.

The data provided is believed to be accurate and applicable to the specific equipment as the user. The most up-to-date engineering and service information on Yamaha and its products is available in the Yamaha Product Manual. Modifications are, therefore, available and changes in specifications are subject to change without notice or additional fee. Should any discrepancy appear in this manual, please contact the Yamaha Dealer.

WARNING: Static electricity can damage sensitive components. Discharge any static electricity before working. Never remove or install components without grounding yourself to the ground point in the unit (yellow page block when connected to the board).

IMPORTANT: When you use a 24V AC adapter, always use a 24V AC adapter, and never use a 24V AC adapter with a 24V AC adapter.
