Scorching Ground Peggy L Henderson, 2023-03-14 The Sky People have been the protectors of the sacred mountains known as Yellowstone for as long as anyone can remember They are the keepers of an ancient vessel that can send anyone through time Finding out he is the last elder of the Sky People is a great responsibility but one that Elk Runner takes on with pride There hasn't been enough time to learn all he needs to know however Mastery of the vessel that controls time travel for starters His best intentions often end up creating more trouble than he can handle When he loses actual people somewhere in time he must figure out how to bring them back before their presence in the past alters things the future Nothing is more important to Austin Hornsby than being the best Nothing His research and surprise discovery will certainly earn him worldwide accolades and success beyond his wildest dreams Maybe he'll even make his father proud The ends definitely justify the means even if it involves the potential destruction of the national park Shelby Osborne has grown up in a national park surrounded by things that most people would not believe existed unless they saw for themselves Her parents taught her to be thankful that this land was protected long ago from those who would have exploited it At a crossroads in her life about what to do in her own future she must decide if she wants to follow in her father's footsteps or go a different direction Being forced to work together as lab partners is one thing but when Austin and Shelby find themselves together in a survival situation they must put aside their differences and work as a team With no one else around will they let down their guard enough to open their hearts and see each other from a completely new perspective before it's too late Legends of the Sky People is spin off to the Yellowstone Romance Series

Return to Yellowstone--Sequel to Yellowstone Heart Song Peggy L. Henderson, 2016 This is a 25 000 word novella Letting go might be harder than they thought Everything she'd hoped for has come true Aimee Donovan's mountain man of her dreams came to 2010 to find her and take her home and now they can live together forever But a life two hundred years in the past is filled with challenges Learning to overcome dangers and discover her calling will be more difficult without modern technology and conveniences of the twenty first century Daniel Osborne has seen the future and he wants no part of it except the woman who is his heart song His life is complete now that she has chosen to live in his familiar Yellowstone wilderness of 1810 With the secrets his father had kept from him now revealed he is tormented about what to do with the time travel device that has done more good for him than harm Daniel and Aimee have no doubt that they want to stay together forever but knowing they have the ability to travel forward in time if there is a crisis provides a loophole that has good and bad implications Do they have the courage to rid themselves of the one thing that could save them Other books in the Yellowstone Romance Series in
