The York OptiView control panel is a black rectangular device. At the top left is the York logo, which consists of a stylized snowflake icon followed by the word "YORK" in a bold, sans-serif font. Below the logo is a large, rectangular color LCD screen. The screen displays a 3D wireframe model of a York air conditioning unit. To the left of the unit, there are several lines of text and small icons, likely representing system status or settings. To the right of the unit, there are more lines of text and icons. Below the screen, there is a row of five small, square, light-colored buttons. To the right of the screen, there is a vertical column of six small, square, light-colored buttons. To the right of this column is a numeric keypad with buttons for digits 1 through 9, 0, and a plus/minus sign. Below the numeric keypad is a set of four directional buttons: a cross (X), an up arrow, a down arrow, and a right arrow. At the bottom right of the panel, the word "OptiView" is written in a stylized font, with a trademark symbol. In the bottom right corner of the entire image, there is a small, faint text string "004507v01".
