You Know You're 40 When:

You Know You're 60 When . . . Richard Smith, 2010-06-08 Are you getting on in years or know someone who is Thinking of changing your birth certificate to show a more favorable birth date You may lie about your age but your age won't lie to you Not sure how to tell when you're about to reach that fun sixtieth birthday Here are some clues WebMD is your home page When asked Who's your doctor you have to reply Which one An outbreak of acne makes you feel like a teenager again At your class reunion you note with satisfaction that the captain of the football team wears a hearing aid The meadows where you sowed your wild oats are now shopping malls That empty seat on the bus has your name on it Your pharmacist greets you with What'll it be pal Getting older is not only fun it's funny And with You Know You're 60 When you'll be laughing as you go kicking and screaming over the hill happily clutching your chest

You Know You're 40 When... Ann Hodgman, Patricia Marx, 2005-03-08 Are you almost over the hill Know someone who is Getting older is no fun but it sure can be funny How do you know when you're approaching the big 40 Here are a few clues Comb overs are starting to make a certain kind of sense A kid you once babysat for is now your lawyer At your checkups the doctor has begun to ask if you're still sexually active Midnight seems awfully late You're more interested in websites that will calculate your Body Mass Index than in Internet porn You receive two phone calls in a single week from people who want to sell you life insurance Whether you've just found your first gray hair or you're peering around the corner to your mid-life crisis You Know You're 40 When will tickle your funny bone while you can still remember where to find it

You Know You're Fifty When Richard Smith, 2011-03-30 Whether you're over the hill approaching the hill or rolling down it this is the ultimate guide to life after 50 so get your readers and settle in Getting closer to the big Five O Know someone who is Sure 50 might be a scary number but it's also a state of mind an opportunity to drape an afghan over your shoulders when you're chilly or start enjoying cruises For anyone in denial about reaching the half-century milestone New York Times bestselling author Richard Smith clues you in on certain signs that you can't ignore Because even if you feel like you're at the top of your game you know you're 50 when Blowing up balloons gets you winded You start jogging with an ID It can take up to fifteen minutes to climb out of a hammock Staying power refers to remaining awake through Cats You think menopause entitles you to park in a handicap zone Your tailor diplomatically suggests it's time to let out your barbecue apron You actually start to obey the Don't Walk signal Florida starts looking good So go ahead and blow your retirement savings on cruises trips to Paris and plastic surgery you've got another 50 years to go
