

“If by a “Liberal,” they mean someone who looks ahead and not behind, someone who welcomes new ideas without rigid reactions, someone who cares about the welfare of the people - their health, their housing, their schools, their jobs, their civil rights, and their civil liberties - someone who believes that we can break through the stalemate and suspicions that grip us in our policies abroad, if that is what they mean by a “Liberal,” then I’m proud to say that I’m a “Liberal.””

~ JOHN F. KENNEDY

You Might Be A Liberal

The Uptight Seattleite

You Might Be A Liberal:

An American Warning David M. Robertson, 2009-04-01 It's time we stand back and really take a look at what we are doing as a nation. We are destroying ourselves from within. All of the threats we face today are a direct result of what we have done ourselves. We have no one else to blame. But there is hope. We can still fix the problems we face today and will face tomorrow. It is up to us. We owe it to our children. *An American Warning* is perfect for anyone who feels that our wonderful nation is fine the way it is. It's even better for anyone who feels that it's tarnished, bruised, or battered. And it's great for those who want the information needed to fix it. Though it can be scary at times to look at our problems in the face, sometimes it's necessary. What you will learn in this book might surprise you. There is something for everyone within these pages. **The Dictionary of Liberal Quotations** Duncan Brack, 2013-09-11 If you're a liberal or a democrat and especially if you're a Liberal Democrat, this masterful and considered collection of thought-provoking quotations should belong to you. All the great Liberals are packed into this slick reference guide, from Gladstone to Ashdown, Kennedy John F. to Kennedy Charles. Whether you're looking for John Stuart Mill or John Maynard Keynes, you'll be able to find every good quote there is on Liberals and Liberalism. Writers, thinkers, journalists, philosophers, and even the politicians themselves contribute with nearly 2,000 utterances, musings, provocations, jibes, and diatribes featured in *The Dictionary of Liberal Quotations*, making this guide a must-have for anyone interested in Liberals and Liberal thought. **A Sensitive Liberal's Guide to Life** The Uptight Seattleite, 2010-03-02 In the tradition of *The Official Preppy Handbook*, *The Uptight Seattleite* is the Stephen Colbert of left-wing satire. The author of the wildly popular *Seattle Weekly* advice column teaches Americans everywhere how to embrace their inner leftist. Artfully balancing the cosmic with the cosmopolitan, the Uptight Seattleite aka Adrian delights his loyal readers each week with snide insight on everything from fashion (Can I pull off a Rasta beret to ear bud etiquette?) In *A Sensitive Liberal's Guide to Life*, he brings his savvy smugness to his widest audience yet on topics such as the hierarchy of transportation righteousness (what to do with the clunky old Subaru after purchasing a Prius) and ethical behavior at the grocery store (including how to handle the horror of forgetting to bring your reusable burlap sack). Other day-to-day advice covers what to read on the bus (Vonnegut versus *The Kite Runner* versus *The Economist*) and feasting at the buffet of diversity with tips for shooting a condescending smile at those who don't know how to use chopsticks. The Uptight Seattleite also helps readers navigate the big issues such as responsible parenting (which calls for a mini landfill kit perfect for the backyard and ready to be stuffed with environmentally unfriendly diapers). For every insecure liberal and those who love to make fun of them, the Uptight Seattleite offers us laughs from the pinnacle of political correctness. *Liberal Hearts and Conservative Brains* Ron Lipsman, 2007 Talk radio hosts seem to believe conservatives are from Mars and liberals are from Venus, two different species. In other words, Ron Lipsman's new book uses a mix of rational analysis and personal history to suggest there may be deeper psychological laws at work here that help shape our worldviews. He's on to something. Elias Crim Publishing

Consultant Professor Lipsman argues for a correlation between age and political philosophy which asserts that young people tend to gravitate toward liberalism while older people are usually more comfortable with conservatism and that additionally among the people who change their political preference over time more go from liberal to conservative than vice versa and finally he assesses the strengths of these trends examines the most interesting counter examples to these trends namely premature conservatives and aging liberals and explains what motivates them presents a history of the liberal conservative divide in America and then augments it with an assessment of its current status as well as a prediction of its future An insightful and witty examination of the values and beliefs that divide liberals and conservatives in America today A penetrating look at the concept of the aging liberal especially as it pertains to the Jewish and academic communities Bruce Bartlett nationally syndicated columnist **Testimony and exhibits** United States.
