

A wide-angle photograph of a two-lane asphalt road that curves gently to the right. The road is flanked by metal guardrails. The surrounding landscape is arid, with rolling hills covered in dry, yellowish-brown vegetation. In the distance, more hills and a small town are visible under a sky filled with large, white, fluffy clouds. The overall tone is bright and open.

You Can Get There From Here:

You Can Get There From Here Bob Stanhope, 2017-12-11 I d always wanted to travel except that I didn t know it After graduating from college getting a job and setting out on my own I made some sporadic attempts to see some of the world It took a while to figure out how and it was only after I got married that the two of us came upon a strategy that worked for us This book is a collection of stories about my mostly modest opportunities to travel This is not a how to book There will be no listings of the best places to go You will not find even a slightly comprehensive guide to locations National Parks interesting cities countries or anything else particularly useful However I hope you will find some interesting and amusing stories about surprises that we encountered along the way *You can get There from Here* Paul LeBlanc, 2013-06 Forward Dear Paul M y friend Paul LeBlanc and I have had many wonderful adventures together over the years I knew we were going to be friends when we first met on a film called *Silence of the North* in 1981 We were shooting in northern Canada in 40 degree temperatures I had a scene where I had to run out of my cabin because a bear was on the roof and shoot the bear Paul and I were inside the cabin just the two of us waiting for my cue When the bear went on the roof the rafters of the cabin started sagging and the snow came pouring in It looked like the roof was going to give way and the bear fall through and join us in the small cabin We were terrified At which point Paul wailed Oh please I just wanted to be a hairdresser I laughed so hard I dropped my rifle And what a hairdresser he is He s always been my favorite not just for his amazing artistry which he demonstrated on me over and over again in many films but most particularly in *Requiem for a Dream* in 2000 He s done my hair not only for films but also for the Oscars the Tonys in Paris in London in limousines in all temperatures and under every imaginable condition But we ve always had a great time together and he s always made me laugh as I m sure readers of his book will Ellen Burstyn 2006 *You Can't Get There From Here* Ryan Porter, 2019-04-08 Rather than reading small town representations in Canadian literature as portraits of a parochial past or a lost golden age this book claims that they are best understood as sophisticated statements on the effects of modernity in an ever more cosmopolitan world In Ontario as urbanization increased over the past century small towns became a popular literary trope and Ryan Porter argues that literary small towns are reflections and even sublimated explorations of contemporary life Referencing the theories of heritage scholars who view popularly understood pasts as constructions shaped by changing sensibilities *You Can t Get There from Here* argues that the literary small town Ontario past is malleable consisting of attempts to come to terms with the present in which the narrators find themselves The book focuses on four key Ontario authors Stephen Leacock Robertson Davies Alice Munro and Jane Urquhart as well as many secondary authors and links the readings to much broader trends in actual Ontario towns and in popular culture *How To Get There From Here...The Ten Lessons That Have Served Me Well* Coleman H.
