You Guys Are Driving Crazy:

California. Court of Appeal (2nd Appellate District). Records and Briefs California (State)., **Our Brief Hours of Play** J.S. Cromartie, 2022-06-15 Our Brief Hours of Play is the story of two young people attempting to navigate the unsettled currents of adolescent friendship Told in the format of two separate journals the novel begins when Mark a rather sheltered upper middle class jock rescues a mysterious classmate of his named Misha from a pool because somehow at 14 she does not know how to swim In offering to teach her Mark becomes intrigued by her enigmatic view of life Her subtle quips add to the mystery It costs nothing if you ve got nothing to lose Mark longs for their friendship to become something more but Misha responds no please just be my friend That way I don t lose you Their friendship blossoms until the fall when they must go their separate ways he to a private high school she to a large urban school Although this puts a strain on any time together their relationship continues until one day Misha simply disappears Months later their paths cross again but the encounter is stilted and awkward until Mark discovers why Finding her journal accidentally left in his car he reads it and learns about the desperate world Misha is a part of where she has experienced abandonment eviction sexual assault and where even now she is considering suicide Mark attempts to rescue her again but the effort this time is far more difficult than diving into a pool Mark must learn to live with ambiguity and loss even as Misha seemingly disappears from his life again Ultimately the story is about a hard won hope and the miracle of a friendship that stands the test of time *Driving to Michigan* Robert Brent, 2025-03-27 Driving to Michigan is a story about a family driving cross country together It features boomer parents who are traveling with their two adult millennial children in the confined space of a pickup truck The story takes place during the time of the Covid pandemic which adds another level of complexity and hilarity to the trek While they are all together in the close quarters of the vehicle the family converses with each other about all manner of topics and current events This includes subject matter related to individual members of the family as well as to the world at large Each family member has opportunities to express their own opinions about the world and their place in it The other family members then have equal opportunity to respond and offer their own opinions Naturally boomers and millennials are not usually aligned on how they view and interact with each other or with the world This is a recurring theme as this conflicted family drives from south to north and then back south again transporting precious cargo on the way back home While they are traveling the family covers all manner of topics like Covid diversity equity inclusion universal basic income climate change environmental social governance partner abuse drug abuse pornography body dysmorphia bodybuilding addiction rehabilitation death mortuaries funerals and even redemption t s a story that is highly relevant to families today The author has written it so that it is both funny and tragic He reminds you that without a sense of humor and other coping skills the runaway reality of addictive behavior and its aftermath can harm you or kill you or both He also makes clear that your behavior can be equally damaging to the people around you who love and care for you the most There are so many families in

America who have had to deal with the scourge of addiction Addiction comes in many forms some obvious and some much more subversive With responsible families addiction is not something you can ignore If you do ignore it when it comes for your family it s at the peril of you and your children In *Driving to Michigan* the author demonstrates how addiction can present itself as an irresistibly attractive and seductive pull to its negative core He shows how it draws you in with a force of gravity and that if you re not careful it can pull you in past the point of no return You can never let it pull you past that point Addiction is a formidable demon with devastating force Once someone is pulled into its orbit it s nearly impossible to escape When it comes for your family what can you do How do you prepare How do you keep it away And then if it does break through your force field of protection how do you fight it once it s inside Unchecked addiction will ravage everything and everyone you hold dear *Driving to Michigan* reminds us that addiction does not always present itself in an obvious manner in the early stages It can be hidden subterranean lurking until it manifests out in the open with a vengeance The author shows what it s like to be part of a family that is forced to deal with the unwanted reality of addictive behavior He shows what kind of coping skills must be developed to deal with it especially when it has overtaken other family members By the end of the story the reader is offered a way of looking at the world Is the universe a Hobbesian malevolent and deadly place or is it a more benevolent and conscious place where you can develop yourself as a compassionate sentient being It offers a way to cope with tragedy and to maintain sanity in the midst of all the temptation and confusion of the world The story demonstrates a life altering test of emotional endurance and human perseverance by never giving up on your family
