Young John McGahern Becoming A Novelist:

Young John McGahern Denis Sampson, 2012-02-23 Denis Sampson explores John McGahern's discovery of art as a young man and traces the development of his signature vision and style Sampson considers McGahern's early efforts as an apprentice novelist and weaves the inner story of the composition of his acclaimed first novel *The Barracks* into a narrative of imaginative formation *John McGahern and Modernism* Richard Robinson, 2016-12-15 John McGahern's work is not easily conceived of as belatedly modernist His memorialising faintly archaic style implies a concern with making it old rather than new suggesting the symptomatic diffidence of many who wrote in the wake of modernism Nevertheless McGahern's statements about the presence of words and the hard won impersonality of the artwork point to a covert engagement with modernist aesthetics Offering intertextual interpretations of McGahern's six novels and of thematically grouped short stories Richard Robinson reads McGahern's fiction alongside writing by Joyce Proust Yeats Beckett Nietzsche Lawrence and Chekhov amongst others Drawing out the ways in which McGahern's fiction conceals and reveals its modernist traces this study considers subjects such as low modernism the complexity of McGahern's time writing and his dialectical construction of the relationship between cultural tradition and modernity in Ireland McGahern's narratives of melancholic return are often read psycho biographically but they also involve a return to the remnants of literature including that of the modernist canon This book will be of interest not only to McGahern scholars but also to those who contemplate the compromised legacies of literary modernism in late twentieth century and contemporary writing *The Letters of John McGahern* John McGahern, 2021-08-31 I am no good at letters John McGahern 1963 John McGahern is consistently hailed as one of the finest Irish writers since James Joyce and Samuel Beckett This volume collects some of the witty profound and unfailingly brilliant letters that he exchanged with family friends and literary luminaries such as Seamus Heaney Colm Tóibín and Paul Muldoon over the course of a well travelled life It is one of the major contributions to the study of Irish and British literature of the past thirty years acting not just as a crucial insight into the life and works of a much revered writer but also a history of post war Irish literature and its close ties to British and American literary life One of the greatest writers of our era Hilary Mantel McGahern brings us that tonic gift of the best fiction the sense of truth the sense of transparency that permits us to see imaginary lives more clearly than we see our own John Updike **Teaching John McGahern's "The Dark"** Anna Teekell, Ellen Scheible, 2025-10-15 Teaching John McGahern's *The Dark* provides an indispensable companion to the classic Irish novel With an introduction aimed at first time readers and four critical essays this edition guides readers through the novel's famously controversial history While *The Dark* was initially banned in Ireland for obscenity scholars now demonstrate that McGahern's novel of adolescence is not obscene but revelatory exposing the corruption underlying authority structures in mid century Ireland from the family to the church to the government's willingness to ignore national and communal trauma *The Dark* is a story of alarming brutality surprising tenderness and poetic lyricism a reflection of Irish society that

maintains historical significance as contemporary Ireland continues to build its national identity An invaluable resource this edition gives students and scholars a rich source of contextualizing material to address the themes and significance of McGahern's complex novel

John McGahern John Singleton, 2023-11-17 John McGahern 1934-2006 believed that fiction could act as a window on the world Such windows however frame our fields of vision alter and shape our perspectives Far from being static the artist's perspective must continually evolve This book provides a literary analysis of John McGahern's artistic and poetic vision his ways of looking examining the shifting focus of this vision how and why it develops what effects such developments have on the work's forms and how these forms evolve at what times and in response to what stimuli This volume demonstrates that such developments mirror an analogous social expansion during the latter half of the twentieth century and argues that McGahern's literary spaces relate to his efforts to realise a more accommodating form to envelop the structureless society While the number of critical studies on McGahern has increased markedly in recent years research still tends to fall into the well established camps of social realism or literary aestheticism This text aims to explore the common ground between the material context and social worlds of each work and the hermeneutics of a traditional literary investigation It traverses such divides through close readings of McGahern's work with attention to the topopoetical production of images of the house the home and the family unit The book ultimately shows how attention to McGahern's literary spaces provides a greater understanding of the aesthetic vision and form of each novel and allows us to understand those aspects relative to the social cultural and political undercurrents of the works individually and collectively

John McGahern Željka Doljanin, Máire Doyle, 2017-11-07 This unique collection brings together essays by experts from a variety of disciplines including history sociology education journalism creative writing and literary criticism to offer new insights into the writer his work and his legacy Featuring a range of distinguished contributors including Roy Foster Paula Meehan Frank McGuinness and Melvyn Bragg along with a previously unpublished McGahern interview the collection enhances the existing body of criticism extending the McGahern conversation into new areas and deepening appreciation of the considerable achievements of this great writer The volume which also features an original poem by Paula Meehan written in honour of McGahern will stimulate the interest of students researchers and general readers of Irish literature and culture

The Oxford Handbook of Modern Irish Fiction Liam Harte, 2020 Presents essays by thirty five leading scholars of Irish fiction that provide authoritative assessments of the breadth and achievement of Irish novelists and short story writers

The Dark John McGahern, 2025-05-15 Bringing John McGahern's 1965 masterpiece back into print in the United States after years of inaccessibility this new sixtieth anniversary critical edition includes an introduction aimed at first time readers explanatory footnotes McGahern's own glossary and four scholarly essays aimed at guiding readers through the novel's famously controversial history While the text was initially banned in Ireland for obscenity this edition demonstrates that McGahern's novel of adolescence is not obscene but revelatory exposing the corruption underlying authority structures in mid century

Ireland from the family to the church to the government's willingness to ignore national and communal trauma *The Dark* follows a promising young boy's struggles to break free from the economic and social forces trapping him in a lifestyle that is both familiar and suffocating At the heart of the novel is the boy's complex and stormy relationship with his abusive widowed father who is left to raise a family with little outside aid *The Dark* is a story of alarming brutality surprising tenderness and poetic lyricism a reflection of Irish society that maintains historical significance as contemporary Ireland continues to build its national identity

The Rockingham Shoot and Other Dramatic Writings John McGahern, 2018-06-19 Sinclair The Sisters Swallows *The Rockingham Shoot* *The Power of Darkness* John McGahern the leading Irish novelist of his generation wrote a substantial number of compelling scripts for radio and television This volume brings together five of his produced works at the heart of which sits the previously unpublished *The Rockingham Shoot* a dark and powerful play for television that concerns a Nationalist teacher whose attempt to prevent his pupils beating at a pheasant shoot held in honour of the British Ambassador leads to a shockingly violent incident Collectively these dramatic works offer an evocative and often stark account of a deeply troubled and divided nation

Shakespeare and Contemporary Irish Literature Nicholas Taylor-Collins, Stanley van der Ziel, 2018-09-18 This book shows that Shakespeare continues to influence contemporary Irish literature through postcolonial dramaturgical epistemological and narratological means International critics examine a range of contemporary writers including Eavan Boland Marina Carr Brian Friel Seamus Heaney John McGahern Frank McGuinness Derek Mahon and Paul Muldoon and explore Shakespeare's tragedies histories and comedies as well as his sonnets Together the chapters demonstrate that Shakespeare continues to exert a pressure on Irish writing into the twenty first century sometimes because of and sometimes in spite of the fact that his writing is inextricably tied to the Elizabethan and Jacobean colonization of Ireland Contemporary Irish writers appropriate adopt adapt and strategize through their engagements with Shakespeare and indeed through his own engagement with the world around him four hundred years ago
