Young Orson Years Genius Citizen:

The Brothers Mankiewicz Sydney Ladensohn Stern, 2019-10-02 Winner of the 2020 Peter C Rollins Book Award Longlisted for the 2020 Moving Image Book Award by the Kraszna Krausz Foundation Named a 2019 Richard Wall Memorial Award Finalist by the Theatre Library Association Herman J 1897 1953 and Joseph L Mankiewicz 1909 1993 wrote produced and directed over 150 pictures With Orson Welles Herman wrote the screenplay for Citizen Kane and shared the picture's only Academy Award Joe earned the second pair of his four Oscars for writing and directing All About Eve which also won Best Picture Despite triumphs as diverse as Monkey Business and Cleopatra and Pride of the Yankees and Guys and Dolls the witty intellectual brothers spent their Hollywood years deeply discontented and yearning for what they did not have a career in New York theater Herman formerly an Algonquin Round Table habitu New York Times and New Yorker theater critic and playwright collaborator with George S Kaufman never reconciled himself to screenwriting He gambled away his prodigious earnings was fired from all the major studios and drank himself to death at fifty five While Herman drifted downward Joe rose to become a critical and financial success as a writer producer and director though his constant philandering with prominent stars like Joan Crawford Judy Garland and Gene Tierney distressed his emotionally fragile wife who eventually committed suicide He wrecked his own health using uppers and downers in order to direct Cleopatra by day and finish writing it at night only to be very publicly fired by Darryl F Zanuck an experience from which Joe never fully recovered For this award winning dual portrait of the Mankiewicz brothers Sydney Ladensohn Stern draws on interviews letters diaries and other documents still in private hands to provide a uniquely intimate behind the scenes chronicle of the lives loves work and relationship between these complex men *Sleeping with Strangers* David Thomson, 2020-01-14 In this wholly original work of film criticism David Thomson celebrated author of *The Biographical Dictionary of Film* probes the many ways in which sexuality has shaped the movies and the ways in which the movies have shaped sexuality Exploring the tangled notions of masculinity femininity beauty and sex that characterize our cinematic imagination and drawing on examples that range from advertising to pornography Bonnie and Clyde to *Call Me by Your Name* Thomson illuminates how film as art entertainment and business has historically been a polite cover for a kind of erotic s ance In so doing he casts the art and the artists we love in a new light and reveals how film can both expose the fault lines in conventional masculinity and point the way past it toward a more nuanced understanding of what it means to be a person with desires *Reinventing Hollywood* David Bordwell, 2017-10-02 In the 1940s American movies changed Flashbacks began to be used in outrageous unpredictable ways Soundtracks flaunted voice over commentary and characters might pivot from a scene to address the viewer Incidents were replayed from different characters viewpoints and sometimes those versions proved to be false Films now plunged viewers into characters memories dreams and hallucinations Some films didn't have protagonists while others centered on anti heroes or psychopaths Women might be on the verge of madness and neurotic heroes lurched into violent confrontations

Combining many of these ingredients a new genre emerged the psychological thriller populated by women in peril and innocent bystanders targeted for death If this sounds like today s cinema that s because it is In *Reinventing Hollywood* David Bordwell examines the full range and depth of trends that crystallized into traditions He shows how the Christopher Nolans and Quentin Tarantinos of today owe an immense debt to the dynamic occasionally delirious narrative experiments of the Forties Through in depth analyses of films both famous and virtually unknown from *Our Town* and *All About Eve* to *Swell Guy* and *The Guilt of Janet Ames* Bordwell assesses the era s unique achievements and its legacy for future filmmakers

Reinventing Hollywood is a groundbreaking study of how Hollywood storytelling became a more complex art and essential reading for lovers of popular cinema *Hank and Jim* Scott Eyman, 2017-10-24 A remarkably absorbing supremely entertaining joint biography The New York Times from bestselling author Scott Eyman about the remarkable friendship of Henry Fonda and James Stewart two Hollywood legends who maintained a close relationship that endured all of life s twists and turns Henry Fonda and James Stewart were two of the biggest stars in Hollywood for forty years but they became friends when they were unknown They roomed together as stage actors in New York and when they began making films in Hollywood they were roommates again Between them they made such classic films as *The Grapes of Wrath* *Mister Roberts* *Twelve Angry Men* and *On Golden Pond* and *Mr Smith Goes to Washington* *The Philadelphia Story* *It s a Wonderful Life* *Vertigo* and *Rear Window* They got along famously with a shared interest in elaborate practical jokes and model airplanes among other things But their friendship also endured despite their differences Fonda was a liberal Democrat Stewart a conservative Republican Fonda was a ladies man who was married five times Stewart remained married to the same woman for forty five years Both men volunteered during World War II and were decorated for their service When Stewart returned home still unmarried he once again moved in with Fonda his wife and his two children Jane and Peter who knew him as Uncle Jimmy For his breezy entertaining Publishers Weekly *Hank and Jim* biographer and film historian Scott Eyman spoke with Fonda s widow and children as well as three of Stewart s children plus actors and directors who had worked with the men in addition to doing extensive archival research to get the full details of their time together This is not just another Hollywood story but a fascinating richly documented biography Kirkus Reviews starred review of an extraordinary friendship that lasted through war marriages children careers and everything else [Eastern Approaches to Western Film](#) Stephen Teo, 2019-07-11 *Eastern Approaches to Western Film* Asian Aesthetics and Reception in Cinema offers a renewed critical outlook on Western classic film directly from the pantheon of European and American masters including Alfred Hitchcock George Lucas Robert Bresson Carl Dreyer Jean Pierre Melville John Ford Leo McCarey Sam Peckinpah and Orson Welles The book contributes an Eastern Approach into the critical studies of Western films by reappraising selected films of these masters matching and comparing their visions themes and ideas with the philosophical and paradigmatic principles of the East It traces Eastern inscriptions and signs embedded within these films as well as their social lifestyle values and other

concepts that are also inherently Eastern As such the book represents an effort to reformulate established discourses on Western cinema that are overwhelmingly Eurocentric Although it seeks to inject an alternative perspective the ultimate aim is to reach a balance of East and West By focusing on Eastern aesthetic and philosophical influences in Western films the book suggests that there is a much more thorough integration of East and West than previously thought or imagined

Racing's Return from the Brink James C. Nicholson, 2025-06-24 At the dawn of the twentieth century American horse racing clung to a precarious existence A wave of anti gambling legislation threatened to destroy the industry until one extraordinary Thoroughbred gelding dubbed the Miracle Horse by the media helped steer it away from extinction In *Racing's Return from the Brink* James C Nicholson tells the story of Old Rosebud within the context of horse racing and national movements of the early 1900s Named for a brand of bourbon produced by his owners family distillery Old Rosebud set a track record when he won the 1914 Kentucky Derby by eight lengths After sustaining an injury in his next race Old Rosebud was sidelined for years before returning to the track ultimately recording forty wins in a career that lasted until 1922 Meanwhile opportune promotion from certain pillars of the Thoroughbred racing community sold policymakers and the public on the notion that horse racing was vital to US security at a time when the Mexican Revolution and World War I were still fresh in Americans minds Though his fame has since faded Old Rosebud was one of the most talented racehorses of his era and was once among the most recognizable names in US sports *Racing's Return from the Brink* is the first book to examine this critical period in American Thoroughbred racing history and one of the sport's forgotten superstars **George Cukor's People** Joseph McBride, 2024-12-17 The director of classic films such as *Sylvia* *Scarlett* *The Philadelphia Story* *Gaslight* *Adam's Rib* *A Star Is Born* and *My Fair Lady* George Cukor is widely admired but often misunderstood Reductively stereotyped in his time as a woman's director a thinly veiled disparaging code for gay he brilliantly directed a wide range of iconic actors and actresses including Cary Grant Greta Garbo Spencer Tracy Joan Crawford Marilyn Monroe and Maggie Smith As Katharine Hepburn the star of ten Cukor films told the director All the people in your pictures are as goddamned good as they can possibly be and that's your stamp In this groundbreaking lavishly illustrated critical study Joseph McBride provides insightful and revealing essayistic portraits of Cukor's actors in their most memorable roles The queer filmmaker gravitated to socially adventurous subversively rule breaking audacious dreamers who are often sexually transgressive and gender fluid in ways that seem strikingly modern today McBride shows that Cukor's seemingly self effacing body of work is characterized by a discreet way of channeling his feelings through his actors He expertly cajoled actors usually gently but sometimes with bracing harshness to delve deeply into emotional areas they tended to keep safely hidden Cukor's wry wit his keen sense of psychological and social observation his charm and irony and his toughness and resilience kept him active for more than five decades in Hollywood *George Cukor's People* gives him the in depth multifaceted examination his rich achievement deserves **Spooked!** Gail Jarrow, 2018-08-07 *A Washington Post* Best Children's Book This book for young

readers explores in riveting detail the false panic created by the famous War of the Worlds radio broadcast from 1938 as well as the repercussions of fake news today On the night of October 30 1938 thousands of Americans panicked when they believed that Martians had invaded Earth What appeared to be breaking news about an alien invasion was in fact a radio drama based on H G Wells's War of the Worlds performed by Orson Welles and his Mercury Theatre players Some listeners became angry once they realized they had been tricked and the reaction to the broadcast sparked a national discussion about fake news propaganda and the role of radio In this compelling nonfiction chapter book Gail Jarrow explores the production of the broadcast the aftermath and the concept of fake news in the media
