Krettenauer,Winston C. Thompson**

Young Peoples Understanding Of Society:

Young People's Understanding of Society (Routledge Revivals) Adrian Furnham, 2015-12-22 First published in 1991 this book represents the first wide ranging review of young people's understanding of the social world and the functioning of society Taking a social cognitive view of adolescence it focuses on the processes by which young people learn to understand other people's thoughts emotions intentions and behaviour Concentrating on the social world of politics economics work gender and religion the authors cover such issues as politics and government work and unemployment law and legislative matters religion marriage and the family social class and racial and ethnic differences This work will be of interest to students of sociology and psychology

Young People's Leisure and Lifestyles Anthony Glendenning, Leo Hendry, John Love, Janet Shucksmith, 2003-09-02 Covers new ground in examining the importance of leisure in the socialization of young people From a seven year study of 10 000 young people it analyses leisure in relation to school sport friends class gender and health

Young People as Agents of Sustainable Society Päivi Honkatukia, Tiina Rättilä, 2023-06-16 This book analyses young people's societal participation as a central dimension of their well being and as vitally important to secure the sustainable future of humankind and the whole eco social system It develops a theoretical framework for analysing youth participation holistically embedded in its everyday context and as a relational phenomenon underpinned by universal human needs It introduces innovative methodological approaches to study youth engagements in society This book will appeal to scholars and students of youth studies sociology sustainable development youth participation and education It also offers new knowledge and theoretical readings for policy experts on youth and sustainable development as well as for NGOs working with youth The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Handbook of Research on Civic Engagement in Youth Lonnie R. Sherrod, Judith Torney-Purta, Constance A. Flanagan, 2010-07-30 Engaging youth in civic life has become a central concern to a broad array of researchers in a variety of academic fields as well to policy makers and practitioners globally This book is both international and multidisciplinary consisting of three sections that respectively cover conceptual issues developmental and educational topics and methodological and measurement issues Broad in its coverage of topics this book supports scholars philanthropists business leaders government officials teachers parents and community practitioners in their drive to engage more young people in community and civic actions

Young People's Participation Maria Bruselius-Jensen, Ilaria Pitti, Kay Tisdall, 2022-09 This book explores how young people across different European contexts participate in decision making and foster changes on issues that concern them and their communities giving new insights into discourses on young people's as active citizens across Europe

Young People's Career Development and Wellbeing Elizabeth Knight, Belgin Okay-Somerville, 2024-10-22 This book explores how career development experiences during education are relevant for wellbeing in youth career transitions from an interdisciplinary

lens using longitudinal data from different national educational contexts Seven empirical chapters culminate in a conceptual model and recommendations for careers and wellbeing oriented prevention and intervention programs to assist young people as they transition into the world of work Following a foreword by Professor Stephen Lamb the Springer International Study of City Youth series editor and introduction by the editors the book consists of empirical chapters based in six national and educational contexts focusing specifically on schooling higher education and transitions between compulsory schooling and young adulthood Each national context chapter generates insights based on a longitudinal cohort study with at least two data points concerning information on young people s career development and wellbeing The empirical chapters are followed by discussion and conclusion chapters by the editors The editors reflect on the evidence generated in this book and question what we know about the relevance of career development experiences on young people s wellbeing during education to work transitions Implications of these empirical findings on career interventions and policy making across the educational systems are discussed The contributions in this book show that career development experiences while in education matters not only for employment outcomes but also for our subjective wellbeing in early careers Key conclusions point towards a need for theoretically integrating i the sensemaking role of time ii resource based approaches to careers as well as iii the efficacy of career development experiences to overcome structural inequalities Methodologically this book shows the value of nationally representative longitudinal datasets that focus on young people s educational and labour market experiences

Social Networks in Youth and Adolescence John Cotterell,2007 Discusses the crucial role of social networks in the development of adolescents and young adults between the ages of twelve and twenty five years This book looks at how young people s relationships shape their behaviour and identity and the consequences of peer influence on health risk antisocial behaviour and school motivation

Young People's Understandings of Men's Violence Against Women Nancy Lombard,2016-03-09 Globally nationally and locally men s violence against women is an endemic social problem and an enduring human rights issue Unlike men who are most likely to be victims of stranger assaults and violence official data shows that women are most likely to be attacked beaten raped and killed by men known to them either partners or family members Research has maintained that to challenge and prevent men s violence against women changing the attitudes and behaviour of young people is essential This ground breaking book presents the first investigation into what younger people think about men s violence against women It does this by locating their constructions and understandings within the temporal and spatial location of childhood Through challenging the perception that young people are too young to know about violence or to offer opinions on it Nancy Lombard demonstrates the ways to talk to younger people about men s violence Through confronting preconceptions of younger people s existing knowledge capabilities and understanding she demonstrates that this is a subject which young people can confidently discuss

Handbook of Moral and Character Education Larry Nucci,Tobias Krettenauer,Winston C. Thompson,2024-08-16 The Handbook of Moral and Character Education offers a definitive state of

the art synthesis of leading scholarship in moral and character education A subject of international interest and the focus of numerous governmental curricular mandates the moral development and character formation of students are increasingly recognized as an essential component of a well rounded schooling experience This comprehensive volume explores the philosophical psychological and educational issues that define the field links robust theoretical and empirical foundations to effective classroom practice highlights implications for civic engagement and social justice and follows the lessons learned from moral and character education into contexts outside of schools Fully revised and updated this third edition features a refreshed research base coverage of digital pedagogies out of school programs and informal learning and discussions about the role of reason emotion cultural processes and citizenship democracy in education Further the book s substantive emphasis on diversity and equity in the field results in greater racial ethnic and geographic representation among contributing authors inclusion of historically marginalized school communities and student identities and coverage of practices such as transformative social and emotional learning SEL restorative justice and education for environmental sustainability

Community Operational Research Gerald Midgley,Alejandro Ochoa-Arias,2012-12-06 Community Operational Research OR and Systems Thinking for Community Development sets out the current concerns of Community Operational Research Community OR for short and explores new possibilities for its continued development Leading Community OR writers with international reputations in operational research and systems thinking have contributed chapters that illuminate different aspects of Community OR theory and practice There is a focus on the value of systems approaches and other significant perspectives are also represented The result is a rich mix of theories methodologies and case studies that will be a significant resource for both practitioners and academics engaged in community development
