Your First Coaching Book The National Alliance for Youth Sports, Square One Publishers, 2006-01-01 As a youth sports volunteer you should get used to wearing many hats for you ll be not just a coach but also a teacher friend and confidant Coaching can be rewarding but if you venture into the season unprepared the role can be a frustrating one Enter Your First Coaching Book Created by The National Alliance For Youth Sports it provides valuable tips on how to encourage fun and good sportsmanship maximize basic skill development deal with inappropriate behavior from players and parents and prevent injuries by maintaining high safety standards Whether you re a first year coach or a seasoned veteran the children on your team will remember you and their sports experience for the rest of their lives Your First Coaching Book will help ensure that these memories are happy ones

A Coach's Manual for Beginners Craig Shankle, 2003-02-04 This book is a compilation of my observations and experience over the years it represents my personal philosophy of the game and coaching As such against the dictates of proper English language usage I have used personal pronouns ad nauseam because it is my experience and my philosophy Much of what I have espoused in this book goes against sound winning baseball theory and sound baseball strategy specifically with regard to the batting order and rotation of players through the positions These are formative years for players and their baseball experience should be fun and of an instructional nature where they experience different positions and test their newfound skills and abilities The stated premise of this book is to have fun and learn to be good citizens There will be plenty of time later on to hone skills and settle on one or two positions for specialization and to develop the killer instinct For now the objective is to acquaint players with the game while having fun and not drive them from it for life by insisting on perfection Just because you adopt the techniques espoused herein does not mean you will have a losing season or that you are not being competitive or teaching sound baseball It just means you are considering the individual as a whole and helping him her to become responsible members of a team whether athletic or social Some players seem to be born with presence while others may have it instilled by their parents at a young age Finding these rare and stimulating leaders and challenging their abilities in order to stretch their performance level is the coachs job Because they learn so quickly you may teach them more perhaps than you would a player not similarly gifted

This does not mean the accomplishments of the less gifted are inferior to those of the gifted player Try to challenge each player according to his her abilities and reward their successful achievements with positive reinforcement Winning baseball strategy dictates you place your best six hitters at the top of the batting order Most consistent at getting on base bats first Best bunter second Best hitter third Next best hitters fourth fifth and sixth Poorest hitters seventh eighth and ninth The eighth and ninth slots are usually reserved for the catcher and pitcher Then place your best fielders at all the key positions and play them there constantly Rotate your worst players into the game where they can do the least damage and leave them there for the shortest time possible under league rules If thats the way you want to play the game and coach your players then this book is not for you Conversely if your goal is to help small children grow to learn to enjoy baseball at all levels and in the process become good citizens and have fun doing it then this book may help Throughout I have made many blanket statements and stated things should or should not be done a certain way Please do not misunderstand me just as Baseball is a game of inches so too is it many shades of gray Please feel free to adjust and compromise as necessary from time to time for the mutual benefit of both the team and enjoyment of the players I guess all I have been saying is just try to do whats right I know I have forgotten to include many important details that may have been helpful to your coaching experience please forgive me I tried I hope that this will give you enough information to overcome your fears and give coaching a try Thanks for your attention and perseverance Good luck next season and may you have many successful seasons and dedicated players in the future

An Introduction to Coaching Skills Christian van Nieuwerburgh,2017-03-20 Focusing on the core coaching skills and competencies this book is a highly practical resource for anyone wishing to become a coach

An Introduction to Existential Coaching Yannick Jacob,2019-03-13 In *An Introduction to Existential Coaching* Yannick Jacob provides an accessible and practical overview of existential thought and its value for coaches and clients Jacob begins with an introduction to coaching as a powerful tool for change growth understanding and transformation before exploring existential philosophy and how it may be integrated into coaching practice The book goes on to examine key themes in existentialism and how they show up in the coaching space including practical models as well as their application to organisations and leadership Jacob concludes by evaluating ethical dimensions of working existentially and offers guidance on how to establish an existential coaching practice including how to gain clients and build relationships with strategic partners With reflective questions exercises interventions and activities throughout *An Introduction to Existential Coaching* will be invaluable for anyone wanting to live and work at greater depth or to succeed as an existential coach Accessibly written and with a wide selection of references and resources *An Introduction to Existential Coaching* is a vital guide for coaches in training as well as an inspiring addition to the repertoire of experienced practitioners It serves academics and students to understand existential philosophy and allows professionals with coaching responsibilities to access more meaningful conversations

EBOOK: Coaching Skills: The definitive guide to being a coach Jenny Rogers,2016-05-16 This book has been a best

seller for coaches all over the world since the first edition was published in 2004 Coaches appreciate its straightforward advice on how to coach and the truthful way the book captures the actual experience of coaching This 4th edition has been extensively updated It keeps the most popular features of earlier editions and also includes material on The magic ingredients that determine whether the coach client relationship works Why goal setting and questioning are such important skills for any coach and how you can acquire them How to use the insights that are emerging from neuropsychology How as a coach you can work with clients to get them past their blocks and barriers How to cope with clients who cry or who report traumatic experience and where the boundaries are with therapy How to give vital information but in coaching style How to blend challenge with support Tips and hints on how to coach by phone A full template on how to run the first session There are a multitude of reasons why the latest edition of this best selling book deserves a place on the bookshelves of both new and more experienced coaches Practical exercises and techniques such as the Life Scan Wheel Magic Questions Immunity to Change grid and the OSCAR model are clearly explained and new to this edition is a useful and detailed first session template She has gathered together insights and gems from books as diverse as Daniel Kahnemann s Thinking Fast and Slow and Carl Jung s Modern Man in Search of a Soul It transforms what could have been a dry manual into a stimulating and pleasurable read as well as an information dense resource and a worthy investment of any coach s time and money Review in Coaching Today January 2017 Issue 21 *The Handbook of Knowledge-Based Coaching* Leni Wildflower, Diane Brennan, 2011-06-28

FAQs About Your First Coaching Book A Practical Guide For Books

What is a Your First Coaching Book A Practical Guide For PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Your First Coaching Book A Practical Guide For PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Your First Coaching Book A Practical Guide For PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Your First Coaching Book A Practical Guide For PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Your First Coaching Book A Practical Guide For PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
