Runyon, 2012-01-14 You run or you fight Pick either one but do something The distinct characters in *Claiming One* are both incredibly loving and tragically flawed far from finding what they seek and an even longer way from peace Often we arrive to their story on the heels of a major change whether actual or symbolic and each story offers a glimpse into the characters moment of choice We witness perilous options discoveries and decisions all while considering the flawless humanity presented to us This powerful collection brings together 17 short stories linked together by flight or denial Author E J Runyon masterfully intertwines a lop sided trail of hope found in the hearts of the characters to thread these tales together Runyon tells her stories with an unashamed truthfulness what seems to be almost an unaware truthfulness The work is edgy but never for the sake of edginess At the same there exists a compelling emotional accessibility If you are willing to risk reading this will challenge you capture your attention and dare you to continue till the very last Catherine Ryan Hyde acclaimed author of *Pay It Forward* *Jumpstart the World* and 16 other novels *900 Miles* E.J. Runyon, 2020-03-27 Sudden luck strikes the one person who won t share the news It s a mega win on a weekly lotto ticket a ton of cash But even though Christina s howls of triumph scare the cat she can t tell her stepdad Harrison Not even when a frustrated off the cuff retort to a co worker sets her free from a newspaper job she no longer needs anyway She fills notebook pages with bucket lists but can t bring herself to just pick any Wanting but not letting herself have that s Christina all over *Motherless* practically raising

Harrison instead of the other way around For Christina winning is what you hide so fate can't make it sour But fate has other plans She lucks into a newer quirkier job to hide from Harrison and the new office opens a whole new world right on her doorstep Bit by bit Christina's horizon widens A black and white photograph helps her to discover friends of the finest kinds A tribe with eyes like hers While she struggles with Harrison's addiction and fights against all that she now has fate wheels Christina on a 900 miles road trip to confront the young woman she could be but can't yet face in the mirror **AUNT**
