Youre Wondering Now The Specials From Conception To Reunion

G Orfield

You're Wondering Now The Specials From Conception To Reunion:

You're Wondering Now Paul Williams, 2009 Against the backdrop of the demise of punk social unrest and the coming to power of Margaret Thatcher the Specials burst onto the scene with their unique brand of music in 1979 sweeping up the nation's youth with their edgy politically charged message and iconic 2 Tone branding Thirty years later as the band celebrate their anniversary with a reunion tour their hard hitting poignant tales of teen pregnancy knife crime and racism are still as prevalent as they always were This book sees the first publication of a full gig listing complete discography and an amazing collection of rare unseen photographs from the band members themselves

House of Fun: The Story of Madness John Reed, 2014-08-30 Madness were true originals who mixed ska and reggae rhythms with social comment and music hall humour to become a British group like no other They were the most successful UK singles band of the 80s offering a larky down to earth take on Thatcher's Britain through hits like My Girl One Step Beyond House Of Fun and Baggy Trousers Their appeal endures to this day Madness latter day concerts having become fun packed celebrations of one of the best loved songbooks in British pop Like most bands Madness had their trials and tribulations including band disputes accusations of racism and an eventual split But by then they had become a unique part of British pop history In this book John Reed tells their colourful story with a perceptive industry eye and the help of insights from many insiders and colleagues of the band

Too Much Too Young, the 2 Tone Records Story: Rude Boys, Racism, and the Soundtrack of a Generation Daniel Rachel, 2024-06-04 The definitive and remarkable story of 2 Tone Records featuring an introduction by Pauline Black A Times Sunday Times Book of the Year An Uncut Book of the Year Long Listed for the Pendergyn Music Book Prize A Louder Than War Book of the Year A Blitzed Magazine Book of the Year In 1979 2 Tone Records exploded into the consciousness of music lovers in Britain the US and beyond as albums by the Specials the Selecter Madness the English Beat and the Bodysnatchers burst onto the charts and a youth movement was born 2 Tone was Black and white a multiracial force of British and Caribbean musicians singing about social issues racism class and gender struggles It spoke of injustices in society and fought against rightwing extremism It was exuberant and eclectic white youths learning to dance to the infectious rhythm of ska and reggae crossed with a punk attitude to create an original hybrid The idea of 2 Tone was born in Coventry England and masterminded by a middle class art student Jerry Dammers who envisioned an English Motown Dammers signed a slew of successful artists and a number of successive hits propelled 2 Tone onto Top of the Pops and into the hearts and minds of a generation However infighting among the bands and the pressures of running a label caused 2 Tone to bow to the inevitable weight of expectation and recrimination Over the following years Dammers built the label back up again entering a new phase full of fresh signings and a beautiful end piece finale in the activist hit song Free Nelson Mandela Told in three parts *Too Much Too Young* is the definitive story of a label that for a brief bright burning moment shaped British American and world culture

No Future Matthew Worley, 2017-09-21 An innovative history of British youth

culture during the 1970s and 1980s charting the full spectrum of punk's cultural development

Bibliography Arthur James Wells, 2009

Listener and BBC Television Review, 1986
