2ND EDITION

BY JOHN MITTENDORF

Fire Engineering

The lower half of the book cover features a dramatic illustration. It shows the silhouettes of two firefighters in full protective gear, including helmets and oxygen tanks. They are positioned in front of a large, intense fire that fills the background with bright orange and yellow flames. The scene is set at night, with the fire providing the primary light source. The overall composition is dynamic and emphasizes the hazardous environment of fire fighting.
