A Treatise on the True Devotion to the Blessed Virgin Saint Louis de Montfort, Aeterna Press, Mary has been singularly hidden during her life It is on this account that the Holy Ghost and the Church call her alma Mater Mother secret and hidden Her humility was so profound that she had no propensity on earth more powerful or more unintermitting than that of hiding herself even from herself as well as from every other creature so as to be known to God only He heard her prayers to Him when she begged to be hidden to be humbled and to be treated as in all respects poor and of no account He took pleasure in hiding her from all human creatures in her conception in her birth in her life and in her resurrection and assumption Her parents even did not know her and the Angels often asked of each other Qu'est-elle? Who is that? Because the Most High either hid her from them or if He revealed anything of her to them it was nothing compared to what He kept undisclosed Aeterna Press

True devotion to Mary St Louis-Marie Grignion de Montfort, 2025-01-14 From True devotion to Mary I learned what devotion to our Lady means While at first I held back in fear that Marian devotion would be a screen to Christ instead of opening the way in the light of Grignion de Montfort's work I understood in reality it is otherwise Our inner relationship with the mother of God follows organically from our relationship with the mystery of Christ Saint John Paul II
