

TRY A LITTLE TENDERNESS

Words and Music by HARRY WOODS,
JIMMY CAMPBELL and REG CONNELLY

Moderately

The musical score is written for piano and voice. It begins with a piano introduction in G major, marked 'Moderately'. The piano part features a simple harmonic progression: G (4 bars), A dim/E♭ (2 bars), C/E (2 bars), G7/F (2 bars), C/E (2 bars), and G/D (2 bars). The vocal melody enters in the second system, marked 'Slowly'. The lyrics are: 'Oh, she may be wea - ry, and young girls, they do get wea - ry; wear - ing the same — shab - by dress. But'. The piano accompaniment continues with chords: C#dim (4 bars), D (4 bars), G (4 bars), Em (4 bars), Am (4 bars), D7 (4 bars), G (4 bars), Dm/F (4 bars), E7 (4 bars), and Am (4 bars). The score ends with the word 'But' on a final note.

Try A Little Tenderness Sheet Music

James J. Nott

Try A Little Tenderness Sheet Music:

Otis Redding: Try A Little Tenderness (SATB) Jeremy Birchall, 2013-11-26 Try A Little Tenderness is the perfect choice for amateur choirs seeking an elegant and sophisticated centrepiece to their choral pop repertoire Based on Otis Redding's smooth and soulful take on the song this choral version is bursting with rich harmonies and jazzy chord progressions Try A Little Tenderness has been arranged by Jeremy Bitchall for SATB Chorus with Piano accompaniment this piece opens with a reasonable challenging intro setting the scene for beautiful and tender song that will captivate and touch **Analyzing**

Popular Music Allan F. Moore, 2003-05-22 How do we know music We perform it we compose it we sing it in the shower we cook sleep and dance to it Eventually we think and write about it This book represents the culmination of such shared processes Each of these essays written by leading writers on popular music is analytical in some sense but none of them treats analysis as an end in itself The book presents a wide range of genres rock dance TV soundtracks country pop soul easy listening Turkish Arabesk and deals with issues as broad as methodology modernism postmodernism Marxism and communication It aims to encourage listeners to think more seriously about the social consequences of the music they spend time with and is the first collection of such essays to incorporate contextualisation in this way **Hits and Misses**

Robert Toft, 2010-11-04 Hits and Misses examines a selection of songs and recordings through the lens of textual criticism and delineates the creative process as it unfolds from the initial conception of a song to the final mix presented on disc The book takes as its subject top 40 singles released between 1963 and 1971 in the USA Britain and Canada and considers the songs themselves and their transformation in the studio Robert Toft studies the methods by which recordists songwriters arrangers band members producers and engineers impart their ideas to audiences The first part of the book concentrates on songs and examines lyrics and the strategies songwriters employ to develop a story as well as the music that enhances the telling of those stories The second part of the book investigates the sonic surface of recordings and considers how recordists fashion musical material into effective musical discourse Hits and Misses will be an invaluable text for all those who are studying the sound craft and context of pop music Billboard, 1947-06-21 In its 114th year Billboard remains the world's premier

weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard**, 1947-06-28 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Music for the People James J. Nott, 2002-09-05 Popular music was a powerful and persistent influence in the daily life of millions in interwar Britain yet these crucial years in the development of the popular music industry have rarely been the subject of detailed investigation For the first time here is a comprehensive survey of the British popular music industry and

its audience The book examines the changes to popular music and the industry and their impact on British society and culture from 1918 to 1939 It looks at the businesses involved in the supply of popular music how the industry organised itself and who controlled it It attempts to establish the size of the audience for popular music and to determine who this audience was Finally it considers popular music itself how the music changed which music was the most popular and how certain genres were made available to the public
