Tsongkhapa's Praise For Dependent Relativity:

Tsongkhapa's Praise for Dependent Relativity Blo-bzañ-rgya-mtsho (Phu-khañ Dge-bśes.), Graham Woodhouse, 2011-11-15
Tsongkhapa 1357-1419 the author of *The Great Treatise on the Stages of the Path to Enlightenment* and the teacher of the First Dalai Lama is renowned as one of the greatest scholar saints that Tibet has ever produced. He composed his poetic *Praise for Dependent Relativity* the very morning that he abandoned confusion and attained the final view, the clear realization of emptiness that is the essence of wisdom. English monk Graham Woodhouse, a longtime student of Buddhism, was living near the Dalai Lama's residence in northern India when he translated Tsongkhapa's celebrated text and he conveys for modern readers the explanation of it he received from his teacher, the late Venerable Lobsang Gyatso. **The Life and Teachings of Tsongkhapa** Robert A.F. Thurman, 2018-06-12 A must read for students of Tibetan Buddhism. *The Life and Teachings of Tsongkhapa* provides a thorough exploration of the great teacher's wisdom. In *The Life and Teachings of Tsongkhapa* you will discover Tsongkhapa's teachings on transcendental aspects of sutra, tantra, and insight meditation, mystic conversations with great bodhisattvas, deeply spiritual songs in praise of Manjushri and Maitreya, and much more. The anthology concludes with a number of intensely moving songs in praise of Tsongkhapa and his immeasurable contribution to Tibetan Buddhism by such realized and remarkable Tibetan Buddhists as the Seventh Dalai Lama, the Eighth Karmapa, Dül Nagpa Palden, and Khedrup Je. This edition has been substantially corrected by Robert Thurman and contains a new introduction and a bibliography of all the works referenced in the text. *The Middle-Length Treatise on the Stages of the Path to Enlightenment* Tsongkhapa, 2021-06-29 The first complete English translation of renowned scholar saint Tsongkhapa's *Middle Length Treatise on the Stages of the Path*. Tsongkhapa 1357-1419 the author of the well known *Great Treatise on the Stages of the Path to Enlightenment* and the teacher of the First Dalai Lama is renowned as one of the greatest scholar saints that Tibet has ever produced. A dozen years after writing the *Great Treatise* he wrote the *Middle Length Treatise on the Stages of the Path* presented here in its first complete English translation. Half the length of the well known *Great Treatise*, this work similarly presents a systematic overview of the Buddhist path. Tsongkhapa begins by abridging the longer work, distilling its explanations for quicker integration. He presents a series of meditations beginning with recognizing the rarity of our human existence and the great opportunities it affords, followed by reflections on impermanence, suffering, and the promise of liberation from our past actions, until proceeding to the path of bodhisattvas whose universal compassion seeks to free every being from suffering. Tsongkhapa gives especially detailed instructions on samatha, the deep meditative concentration that is a precondition for the highest insight into the nature of reality. The final and largest section on that very insight is unique to this work, particularly Tsongkhapa's presentation of conventional truth and ultimate truth. Those new to Tibetan Buddhist teachings will benefit from the approachable style of this classic handbook for enlightenment and beginners, and longtime practitioners alike will cherish the clear guidance from one of Tibet's great luminaries. *Buddhist*

Environmental Ethics Colin H. Simonds, 2025-12-01 Brings Tibetan Buddhist philosophy contemplative practice and contemporary environmental ethics together to present a novel way of approaching the pressing issues facing our more than human world In *Buddhist Environmental Ethics* Colin H Simonds presents a compelling case for using a contemplative register to approach some of our most pressing issues surrounding climate change ecological collapse and the exploitation of nonhuman animals Simonds develops an emerging theory of Buddhist ethics moral phenomenology by engaging it with the Tibetan framework of view meditation action and providing a practical means by which individuals can ethically develop through contemplative practice He then applies this theory and practical framework to the ethical and material problems facing the more than human world to show how a Tibetan Buddhist response to these issues offers a cogent adaptable way to address environmental problems In doing so *Buddhist Environmental Ethics* forwards the first book length constructive argument for an eco Buddhist ethic in over a decade articulates the first environmental ethic based on Tibetan Buddhist sources and offers a timely framework for how we can experience the more than human world anew through contemplative practice

Nagarjuna's Wisdom Barry Kerzin, 2019-08-27 Explore the *Mulamadhymakakarika* the way the Dalai Lama teaches it Nagarjuna's *Fundamental Verses on the Middle Way* or as it's known in Tibetan *Root Wisdom* is a definitive presentation of the doctrines of emptiness and dependent arising and a foundational text of Mahayana Buddhism In this book Barry Kerzin personal physician to the Dalai Lama presents this fundamental work in a digestible way using a method favored by His Holiness focusing on five key chapters presented in a specific order First we explore the twelve links of dependent origination in Nagarjuna's chapter 26 to learn why and how we cycle through *sa sara* Then we examine the self that cycles to discover that in fact there is no inherently existent self based on Nagarjuna's chapter 18 We then enter an analysis of the four noble truths based on chapter 24 to understand how conventional reality is understood Next an investigation of the Tathagata shows the reader that even emptiness is empty in chapter 22 Finally Nagarjuna re-emphasizes the pervasiveness of emptiness in his first chapter Thus Dr Kerzin walks us through Nagarjuna's masterwork and lets the great teacher introduce us to Buddhist philosophy step by step deepening our understanding enhancing the way we practice
