insurgents from moving freely back and forth between Afghanistan and Pakistan Three years after its construction the army was finally ready to concede what the men on the ground had known immediately it was simply too isolated and too dangerous to defend On October 3 2009 after years of constant smaller attacks the Taliban finally decided to throw everything they had at Keating The ensuing fourteen hour battle and eventual victory cost eight men their lives Red Platoon is the riveting firsthand account of the Battle of Keating told by Romesha who spearheaded both the defense of the outpost and the counterattack that drove the Taliban back beyond the wire and received the Medal of Honor for his actions

Vought,2000 **The Outpost: Now a Major Motion Picture** Jake Tapper,2020-02-24 NOW A MAJOR MOTION PICTURE The heartbreaking and inspiring story of one of the deadliest battles during the war in Afghanistan acclaimed by critics everywhere as a classic A mind boggling all too true story of heroism hubris failed strategy and heartbreaking sacrifice Jon Krakauer author of Into the Wild At 5 58 AM on October 3rd 2009 Combat Outpost Keating located in frighteningly vulnerable terrain in Afghanistan just 14 miles from the Pakistani border was viciously attacked Though the 53 soldiers stationed there prevailed against nearly 400 Taliban fighters their casualties made it the deadliest fight of the war that year Four months after the battle a review revealed that there was no reason for the troops at Keating to have been there in the first place In The Outpost Jake Tapper gives us the powerful saga of COP Keating from its establishment to eventual destruction introducing us to an unforgettable cast of soldiers and their families This modern classic of military history is an indictment of the management of the war in Afghanistan and a thrilling tale of true courage in the face of impossible odds Tarin Kowt, Afghanistan Todd Curtiss,2016-03-23 Overcoming personal doubts of age ability and the prospect of working in a War Zone a middle aged civilian never before serving in the military becomes a contractor in a vital support capacity for a Forward Operating Base FOB in Afghanistan the longest armed conflict in American history The risks

were leaving a secure job of 11 years in pursuit of adventure The reward was seeing and experiencing life that was a world apart from what was familiar The challenge was not only surviving the Taliban bent on killing as many infidels as possible but also mentally outlasting the stress of being deployed in a strange and hostile land away from home The day to day life on base is presented not from the commonly told military view point but from a civilian along for the ride The base is called FOB Tarin Kowt and was operated as the main base for Australian Army operations The author pursues his job with dedication but is confronted with worn out equipment and apathetic superiors and co workers That s not including the 15 fellow employees that did nothing for 6 months but play video games and collect their 6 figure salaries At times there was also an absurdity of the surroundings On base were such conveniences as a Coffee Shop and Tailor Internet Provider and Smoke Shop Contractors and soldiers were getting manicures and pedicures facials and massages from Filipino girls Not what you expected to find in a War Zone Then an incoming rocket is never far away to remind you of just where you are The Taliban assault just outside the front gate in 2011 a few weeks after the author arrived left no doubt in the mind that this was a War Zone The author s dry humor and over 120 photos bring the reality of living in Afghanistan to life The author s Citizen Journalism uncovers topics that rarely see the light of day if at all in the Mainstream News Media such as Sexual Assault in the military Modern day Slavery in Dubai UAE The real reasons for the Pentagon using Contractors How Afghanistan today produces 80% of the world s opium supply
