thousands of such phoneys appeared in boot sales and swap meets across the world Movie stars added sophistication and glamor when someone lit up a cigarette with a Zippo and the distinctive clink clon sound the lighter made when opened and closed was unmatched Legend has it that the great star Bette Davis was once asked by an interviewer if she smoked after sex Her supposed response To tell you the truth I've never looked In later years and a dark medical reality the cigarette began losing its allure but in wartime the soldier sailor marine and airman was frequently nervous in the service and found solace and a brief time out of war in the relaxation of a quick smoke Zippo was ready in such moments Today many examples survive with a special history and each When Zippo Went to War is illustrated with more than 140 unpublished photos those unique little lighters of old Like the remarkable Zippo itself the book works well and sheds some new light on its subject
