Zora Neale Hurston Zora Neale Hurston, 2008-06-03 Though she died penniless and forgotten, Zora Neale Hurston is now recognized as a major figure in African American literature. Best known for her 1937 novel *Their Eyes Were Watching God*, she also published numerous short stories and essays, three other novels, and two books on black folklore. Even avid readers of Hurston's prose, however, may be surprised to know that she was also a serious and ambitious playwright throughout her career. Although several of her plays were produced during her lifetime and some to public acclaim, they have languished in obscurity for years. Even now, most critics and historians gloss over these texts, treating them as supplementary material for understanding her novels. Yet Hurston's dramatic works stand on their own merits and independently of her fiction. Now, eleven of these forgotten dramatic writings are being published together for the first time in this carefully edited and annotated volume. Filled with lively characters, vibrant images of rural and city life, biblical and folk tales, voodoo, and most importantly, the blues, readers will discover a real Negro theater that embraces all the richness of black life.

Dust Tracks on a Road Zora Neale Hurston, 1984 I have been in Sorrow's kitchen and licked out all the pots. Then I have stood on the peaky mountain wrapped in rainbows with a harp and a sword in my hands. First published in 1942 at the crest of her popularity, this is Zora Neale Hurston's unrestrained account of her rise from childhood poverty in the rural South to prominence among the leading artists and intellectuals of the Harlem Renaissance. Full of wit and wisdom and audaciously spirited, *Dust Tracks on a Road* offers a rare, poignant glimpse of the life, public and private, of a premier African American writer, artist, anthropologist, and champion of the black heritage.

The Life of Herod the Great Zora Neale Hurston, Deborah G. Plant, 2025-01-07. A never-before-published novel from beloved author Zora Neale Hurston revealing the historical Herod the Great, not the villain the Bible makes him out to be, but a religious and philosophical man who lived a life of valor and vision. In the 1950s, as a continuation of *Moses, Man of the Mountain*, Zora Neale Hurston penned a historical novel about one of the most infamous figures in the Bible, Herod the Great. In Hurston's retelling, Herod is not the wicked ruler of the New Testament who is charged with the slaughter of the innocents, but a forerunner of Christ, a beloved king who enriched Jewish culture and brought prosperity and peace to Judea. From the peaks of triumph to the depths of human misery, the historical Herod appears to have been singled out and especially endowed to attract the lightning of fate. Hurston writes, "An intimate of both Marc Antony and Julius Caesar, the Judean king lived during the first century BCE in a time of war and imperial expansion that was rife with political assassinations and bribery as the old world gave way to the new. Portraying Herod within this vivid and dynamic world of antiquity, little known to modern readers, Hurston's unfinished manuscript brings this complex, compelling, and misunderstood leader fully into focus. Hurston shared her findings about Herod's rise, his reign, and his waning days in letters to friends and associates. Text from three of these letters concludes the manuscript in an intimate way." Scholar Editor Deborah Plant's *Commentary: A Story Finally Told* assesses Hurston's pioneering work and underscores Hurston's perspective that the first century BCE has much to teach us and that the lens through which to view this dramatic and stirring era is the life and times of Herod the Great.

Dust Tracks on a Road Zora Neale Hurston, 1942. The author tells the exuberant story of her own life, the story of a young Negro girl who was to become one of the most respected anthropologists of her race, of a girl who grew into a novelist praised by the leading critics of the day.
