The Social Evil, with Special Reference to Conditions Existing in the City of New York Committee of Fifteen (New York, N.Y. : 1900), 1912 **The New International Encyclopaedia** , 1905 **Criminality and Economic Conditions** Willem Adriaan Bongers, 1916 **Prostitution** Eva-Maria Heberer, 2013-12-06 Eva Maria Heberer provides an overview over the history of prostitution in Germany in which she discusses changes in legislation in society and its view on prostitution as well as in the market for commercial sex since 1846 Two different models describing a woman's decision to engage in sex work are suggested Both are kept as general as possible and based on universal microeconomic models The effect of a changing probability of getting caught selling commercial sex is analyzed using the Slutsky decomposition Relevant variables influencing the supply of sex work are identified and measured using historical and up to date data for the state of Hamburg and Germany Correlations between the variables are described and discussed allowing to conclude that a higher probability of getting caught led to a lower supply of commercial sex over the years **Servants of Culture** Ambika Natarajan, 2023-05-12 In nineteenth century Cisleithanian Austria poor working class women underwent mass migrations

from the countryside to urban centers for menial or unskilled labor jobs Through legal provisions on women's work in the Habsburg Empire there was an increase in the policing and surveillance of what was previously a gender neutral career turning it into one dominated by thousands of female rural migrants *Servants of Culture* provides an account of Habsburg servant law since the eighteenth century and uncovers the paternalistic and maternalistic assumptions and anxieties which turned the interest of socio political players in improving poor living and working conditions into practices that created restrictive gender and class hierarchies Through pioneering analysis of the agendas of medical experts police socialists feminists legal reformers and even serial killers this volume puts forth a neglected history of the state of domestic service discourse at the turn of the 19th century and how it shaped and continues to shape the surveillance of women *The Social Evil* Committee of Fifteen (New York, N.Y. : 1900),1902 *The Bookseller* ,1865 **Commodities of Desire** Christiane Schönfeld,2000 *Commodities of Desire* investigates the figure of the prostitute in modern German literature from the Wilhelmine Empire to the Weimar Republic and provides the social legal and cultural contexts necessary for their interpretation *Same Bodies, Different Women* Christopher Mielke,Andrea-Bianka Znorovszky,2019-12-31 This volume is a collection of essays focusing on marginalized women mostly in Central and Eastern Europe from around 1350 to 1650 Other women are discussed in three different categories women whose religious practices put them on the social margins common women who are in society but not of society because they are in the sex trade and women whose occupations were reason enough to shunt them In order to fill a gap in gender history for countries east of the Rhine River the studies included present how official city funded brothels in medieval Austria worked how a princess disability affected her life as Byzantine empress how one unmarried Transylvanian woman who got pregnant dealt with being the center of a court case and how enslaved women in medieval Hungary were treated as sexual property The hope with this volume is that it will show the many interdisciplinary ways that women on the margins can be studied in this region and to diminish the taboo of discussing this topic to begin with *The New International Encyclopædia* Daniel Coit Gilman,Harry Thurston Peck, Frank Moore Colby,1907 *A Bibliography of Municipal Problems and City Conditions* Robert Clarkson Brooks,1901 *Municipal Affairs* Robert Clarkson Brooks,1901 *The Social Evil* Committee of fifteen,1902 *Bookseller* ,1865 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series **Municipal Affairs** ,1901 Devoted to the consideration of city problems from the standpoint of the taxpayer and citizen *Berlin Coquette* Jill Suzanne Smith,2014-02-28 During the late nineteenth century the city of Berlin developed such a reputation for lawlessness and sexual licentiousness that it came to be known as the Whore of Babylon Out of this reputation for debauchery grew an unusually rich discourse around prostitution In *Berlin Coquette* Jill Suzanne Smith shows how this discourse transcended the usual clichés about prostitutes and actually explored complex visions of alternative moralities or sexual countercultures including the New Morality articulated by feminist radicals lesbian love and the New

Woman Combining extensive archival research with close readings of a broad spectrum of texts and images from the late Wilhelmine and Weimar periods Smith recovers a surprising array of productive discussions about extramarital sexuality women's financial autonomy and respectability She highlights in particular the figure of the *cocotte* *Kokotte* a specific type of prostitute who capitalized on the illusion of respectable or upstanding womanhood and therefore confounded easy categorization By exploring the semantic connections between the figure of the *cocotte* and the act of flirtation of being coquette Smith's work presents flirtation as a type of social interaction through which both prostitutes and non prostitutes in Imperial and Weimar Berlin could express extramarital sexual desire and agency

The History of Prostitution Vern L. Bullough, 1964 In this time of heated debate over pornography in general and prostitution in particular Vern and Bonnie Bullough present a fascinating look at the social and historical context of the world's oldest profession The History of Prostitution is a panorama of the forms and practices prostitution has assumed in many cultures over many centuries Based on the assumption that one cannot understand prostitution without first understanding the role of women in society this volume is the first comprehensive treatment of the historical sociological and anthropological background of prostitution The authors expose the inextricable interweaving of scores of cultural dilemmas women as property pornography and the fear of sexuality religion and promiscuity sex and social class and the control of venereal disease The authors convey the tragedy and humor the fortitude and cunning the veniality and generosity the real and counterfeit sensuality and the hypocrisy and pathos that surround the lives of prostitutes The beautiful the powerful the talented and the most outrageous are here Lais Tamar Pompadour Du Barry Emma Hamilton Lola Montez and Calamity Jane But in addition to these tales of the illustrious these pages are filled with the experiences of the anonymous and the abused An important reading for feminists police religious leaders civil libertarians the general public and prostitutes themselves All will benefit from this useful sympathetic and illuminating book

[The Habsburgs](#) Martyn Rady, 2020-08-25 The definitive history of a powerful family dynasty who dominated Europe for centuries from their rise to power to their eventual downfall In The Habsburgs Martyn Rady tells the epic story of a dynasty and the world it built and then lost over nearly a millennium From modest origins the Habsburgs gained control of the Holy Roman Empire in the fifteenth century Then in just a few decades their possessions rapidly expanded to take in a large part of Europe stretching from Hungary to Spain and parts of the New World and the Far East The Habsburgs continued to dominate Central Europe through the First World War Historians often depict the Habsburgs as leaders of a ramshackle empire But Rady reveals their enduring power driven by the belief that they were destined to rule the world as defenders of the Roman Catholic Church guarantors of peace and patrons of learning The Habsburgs is the definitive history of a remarkable dynasty that forever changed Europe and the world
