Trouble Is A Friend Of Mine:

Trouble Is a Friend of Mine Stephanie Tromly, 2016-06-07 Sherlock meets Veronica Mars meets Riverdale in this romance where the leading man is decidedly unromantic and crime novel where catching the crook isn't the only hook Of course Zoe Webster didn't like Philip Digby when she first met him No one does He's rude and he treats her like a book he's already read and knows the ending to But Zoe is new in town and her options for friends are limited And before she knows it Digby annoying brilliant and somehow attractive has dragged her into a series of hilarious and dangerous situations all related to the investigation of a missing local teen girl When it comes to Digby Zoe just can't say no But is Digby's manic quest really worth all the trouble he's getting Zoe into *That Devil's No Friend of Mine* J. D. Mason, 2010-03-02 When Bishop Fontaine passed away he left behind more than a list of good deeds He was known as a caring friend and doting father but he was also manipulative and controlling especially to those he loved His death begins to unravel deep secrets and shocking desires among the people he cared about the most His daughter Kristine feels that with her father's death she is finally free His best friend and business partner Lamar feels that now can finally have what he has longed for all these years Kristine His protégé Cole the boxing champion and rising star married a woman Bishop never approved of and may have been right about Rayne the blues singer and ex-junkie relied on Bishop to keep her clean and is now slipping down a dark path without him And Rhonda Lamar's wife is determined to ignore what has been unfolding in front of her if it means that her predictable life will go unchanged And then a newcomer steps onto the scene and threatens to turn everything upside down Five very different people whose lives are only connected by Bishop suddenly find themselves up close and personal as desires dreams and passions collide **Chaos is a Friend of Mine** Ewan MacKenna, 2019-11-19 People say to me be careful of the money don't blow it If the money becomes a problem I'll get rid of it I've been planning to get to this stage for a long long time and I won't let anything stop me Honestly The year is 2013 and Ewan MacKenna is sitting in McDonald's with Conor McGregor as he enjoys his weekly coffee a treat in the eyes of a dedicated fighter The Crumlin born mixed martial arts fighter has not yet cashed his 60 000 prize money after his maiden UFC victory over Marcus Brimage a first round stoppage but he knows the importance of it only recently has he found himself in the social welfare queue Five years on and McGregor is late for his press conference with Khabib Nurmagomedov ahead of their showdown at UFC 229 By the time he arrives his opponent has gone but it doesn't stop him from launching into a diatribe against him before reverting to a sales pitch for his own whiskey Proper No 12 Somewhere along the line the fighter became a stranger to his art increasingly drawn to the circus that surrounds him But what is McGregor A wonderful rags to riches tale Dedicated athlete Cultural phenomenon Troubled soul Out of control kid Confused young man Narcissist Arrogant thug Sporting icon McGregor is any and all but crucially more than most sporting stars he is also a mirror of society In *Chaos is a Friend of Mine* MacKenna takes in both Las Vegas in 2018 and Dublin in 2019 in order to examine McGregor's journey from his upbringing in the Irish capital to his

On Passivity Nicholas J. Pappas,2021-05-01 Is it always better to be active than passive Is passivity a sign of cowardice or prudence Are people who keep their thoughts to themselves passive or might they be actively preparing for well considered future actions Seemingly simple concepts turn out to be deeper and more significant than they first appear Have you ever been accused of being passive Do you feel as though you think too much and don t act enough Have you wondered if thinking in itself constitutes doing something This book explores active and passive behaviors and the relationship of each to thought good bad or otherwise In keeping with a long dialogic tradition On Passivity encourages complex thought in the context of a simple setting The two main characters Director and Friend explore the idea of passivity while attending a wedding reception Throughout the dialogue they explore these core questions What is passivity and is it inherently bad How do we demonstrate both active and passive thought Why should we concentrate on thought Director and Friend go beyond a definition of passivity and investigate the role thought plays in both passivity and activity Is thinking doing nothing What is thought Are we passive when we think only to become active when we do How do we bridge the gap between activity and passivity The role thought plays in gaining knowledge reasoning telling the truth and living life are concepts disassembled and reassembled in a courageous way Can we be true to ourselves and accepted for what we choose to do even if it seems passive to those around us As the book ends we see a glimpse of how scary it might be if everyone were active all the time In brief we re left rethinking everything
