My Quests for Hope and Meaning Rosemary Radford Ruether, 2013-10-02 This book is an autobiography tracing Rosemary Radford Ruether's intellectual development and writing career Ruether examines the influence of her mother and family on her development and particularly her interactions with the Roman Catholic religious tradition She delves into her exploration of interfaith relations with Judaism and Islam as well Her educational formation at Scripps College and the importance of historical theology is also a major emphasis Mental illness has also affected Ruether's nuclear family in the person of her son and she details the family's struggle with this issue Finally in this intellectual autobiography Ruether explores her long concern and involvement with ecology feminism and the quest for a spirituality and practice for a livable planet

Late-Life Love Susan Gubar, 2018-11-13 Winning and intelligent An impressive often heartening addition to the literature of aging Heller McAlpin Wall Street Journal In this unique blend of memoir and literary commentary Bookpage acclaimed author and literary scholar Susan Gubar contemplates the beauty and strength of enduring love both for her husband and for the literature that has shaped her life Throughout the complications

of devoted caregiving her own ongoing cancer treatments and a stressful move to a more manageable apartment Gubar proves that love and desire have no expiration date on the page or in life Late Life Love offers a resounding retort to ageist stereotypes appraises the obstacles unique to senior couples and celebrates second chances *Just Vibrations* William Cheng, 2016-08-11 Modern academic criticism bursts with what Eve Kosofsky Sedgwick once termed paranoid readings interpretative feats that aim to prove a point persuade an audience and subtly denigrate anyone who disagrees Driven by strategies of negation and suspicion such rhetoric tends to drown out softer spoken reparative efforts which forego forceful argument in favor of ruminations on pleasure love sentiment reform care and accessibility *Just Vibrations* The Purpose of Sounding Good calls for a time out in our serious games of critical exchange Charting the divergent paths of paranoid and reparative affects through illness narratives academic work queer life noise pollution sonic torture and other touchy subjects William Cheng exposes a host of stubborn norms in our daily orientations toward scholarship self and sound How we choose to think about the perpetration and tolerance of critical and acoustic offenses may ultimately lead us down avenues of ethical ruin or if we choose repair With recourse to experimental rhetoric interdisciplinary discretion and the playful wisdoms of childhood Cheng contends that reparative attitudes toward music and musicology can serve as barometers of better worlds

The Psychoanalytic Ear and the Sociological Eye Nancy Chodorow, 2019-07-02 In *The Psychoanalytic Ear and the Sociological Eye* Toward an American Independent Tradition Nancy J Chodorow brings together her two professional identities psychoanalyst and sociologist as she also brings together and moves beyond two traditions within American psychoanalysis naming for the first time an American independent tradition The book's chapters move inward toward fine tuned discussions of the theory and epistemology of the American independent tradition which Chodorow locates originally in the writings of Erik Erikson and Hans Loewald and outward toward what Chodorow sees as a missing but necessary connection between psychoanalysis the social sciences and the social world Chodorow suggests that Hans Loewald and Erik Erikson self defined ego psychologists each brings in the intersubjective attending to the fine tuned interactions of mother and child analyst and patient and individual and social surround She calls them intersubjective ego psychologists for Chodorow the basic theory and clinical epistemology of the American independent tradition Chodorow describes intrinsic contradictions in psychoanalytic theory and practice that these authors and later American independents address and she points to similarities between the American and British independent traditions The American independent tradition especially through the writings of Erikson points the analyst and the scholar to individuality and society Moving back in time Chodorow suggests that from his earliest writings to his last works Freud was interested in society and culture both as these are lived by individuals and as psychoanalysis can help us to understand the fundamental processes that create them Chodorow advocates for a return to these sociocultural interests for psychoanalysts At the same time she laments the lack of attention within the social sciences to the serious study of individuals and individuality and advocates for a field of individuology in the

university **Feminist Collections**, 2012 **Shame and Modern Writing** Barry Sheils, Julie Walsh, 2018-04-09 Shame and Modern Writing seeks to uncover the presence of shame in and across a vast array of modern writing modalities This interdisciplinary volume includes essays from distinguished and emergent scholars in the Humanities and Social Sciences and shorter practice based reflections from poets and clinical writers It serves as a timely reflection of shame as presented in modern writing giving added attention to engagements on race gender and the question of new media representation

Memoir of a Debulked Woman Susan Gubar, 2012-04-23 A 2012 New York Times Book Review Notable Book Staggering searing Ms Gubar deserves the highest admiration for her bravery and honesty New York Times Diagnosed with ovarian cancer in 2008 Susan Gubar underwent radical debulking surgery an attempt to excise the cancer by removing part or all of many organs in the lower abdomen Her memoir mines the deepest levels of anguish and devotion as she struggles to come to terms with her body's betrayal and the frightful protocols of contemporary medicine She finds solace in the abiding love of her husband children and friends while she searches for understanding in works of literature visual art and the testimonies of others who suffer with various forms of cancer Ovarian cancer remains an incurable disease for most of those diagnosed even those lucky enough to find caring and skilled physicians Memoir of a Debulked Woman is both a polemic against the ineffectual and injurious medical responses to which thousands of women are subjected and a meditation on the gifts of companionship art and literature that sustain people in need **The Literary Theory Handbook** Gregory

Castle, 2013-05-21 The Literary Theory Handbook introduces students to the history and scope of literary theory showing them how to perform literary analysis and providing a greater understanding of the historical contexts for different theories A new edition of this highly successful text which includes updated and refined chapters and new sections on contemporary theories Far reaching in its inclusion of a detailed history of theory and in depth discussions of major theories and movements Four distinct perspectives on theory historical thematic biographical practical are carefully intertwined so that key concepts terms and ideas are developed in different contexts and cross referenced in the text and in the index Includes alphabetically arranged biographies designed for quick reference and sample readings to illustrate the practical application of theory **Foremother Love** Dana Murphy, 2025-06-27 Dana Murphy examines the importance of eighteenth century poet Phillis Wheatley as a foundational figure for Black feminist criticism

Key Sociological Thinkers Rob Stones, 2017-09-16 The third edition of this popular and established core textbook provides an invaluable guide to 24 of the most influential thinkers in Sociology Written by leading academics in the field Key Sociological Thinkers provides a clear and contextualised introduction to classical and contemporary theory Each chapter offers an insightful assessment of a different theorist exploring their lives works and legacies and in a much valued Seeing Things Differently section authors demonstrate how each thinker's ideas can be used to illuminate aspects of social life in new ways With frameworks for deep learning around group discussion this continues to be an essential text for undergraduate and postgraduate modules on sociological and social

theory New to this Edition Four new chapters on Mead Du Bois Latour and Alexander Five chapters by new authors on existing key thinkers Durkheim Merton Goffman Bourdieu and Giddens A major new introduction An updated structured and annotated Further Reading section for each thinker Extended accounts of 13 additional thinkers who have influenced or been influenced by the key thinkers

Grand Finales Susan Gubar, 2025-06-10 One of our most formidable literary critics explores how nine women artists flourished creatively in their final acts In 2008 academic and scholar Susan Gubar was told by a trusted oncologist that she had only a few years left to live Though she outlived that dire prognosis this brush with mortality refocused her attention on the boons of a longevity she did not expect to experience She began to think In the last years of our lives can we shape and change our creative capabilities The resulting volume Grand Finales answers this question with a resounding yes Despite the losses generally associated with aging quite a few writers painters sculptors musicians and dancers have managed to extend and repurpose their creative energies Gubar spotlights very creative old ladies writers painters sculptors musicians and dancers from the past and in our times Each of Grand Finales nine riveting chapters features women artists George Eliot Colette Georgia O Keeffe Isak Dinesen Marianne Moore Louise Bourgeois Mary Lou Williams Gwendolyn Brooks and Katherine Dunham who transformed the last stage of existence into a rousing conclusion Gubar draws on their late lives and works to suggest that seniority can become a time of reinvention and renewal With pizzazz bravado and geezer machismo she counters the discrediting of elderly women and clarifies the environments relationships activities and attitudes that sponsor a creative old age

Confessions of a Professor Dr. Thom Gilliam Ph.D., 2023-11-08 How has our higher education system become so corrupt and unsustainable while undermining our freedom behind closed doors Imagine sending your conservative daughter off to your state s flagship university After six long years not the four years you expected she returns home with a bachelor s degree in one of the studies She returns home to live because she can t find employment sufficient to support herself As heartbreaking as that is you soon discover she is now a socialist hates America and blames men for a patriarchal society she believes ruined her life She left home full of love but returned filled with hate Unfortunately that is not imaginary and there is no place to turn Our 4 000 independent universities act as one and their 1 5 million professors hold homogenous views This single mindedness has eliminated free speech and critical thinking by students and faculty alike Confessions of a Professor provides an insider s in depth analysis of our universities destructive actions in three broad areas First it details their failure to educate students to contribute to society Second it exposes academia s politicized research that helps form government policy Finally it documents academia s actions to undermine us at home and betray us abroad Beyond those issues it explains academic research in an easily understood manner It shows how academic studies align with the new Socialist Democrat party and drive regulations that control our lives As bad as their politicized science is and their students experiences can be this book

also exposes the extent of racism in the name of diversity Similarly it reveals how the war on men has led to 50% more women attending universities and much worse But even if all these issues were rectified academia s traitorous relationship with China is enough alone to condemn the institution As this book shows we cannot maintain an advanced society without a higher education system but ours is failing America and actively undermining us internationally The author provides over 500 references to support these findings *The New Student* Amy S. Jennings,Douglas P. Haskell,Norman Studer,1927 **The Hidden History of New Women in Serbian Culture** Svetlana Tomic,2022-02-10 Settled in the nineteenth century a period of national liberation this book presents facts about the contribution of women to Serbian culture The story is however of an equal contemporary as well as of historical relevance work of these authors remained hidden as they were neither adequately evaluated in school curriculums and textbooks nor recognized by the general public Does the absence from textbooks and literary histories imply their literature is not worth reading Or that the histories of literature are simply biased and inadequate The answers to these questions are elaborated in this book The author carefully investigates the strategies of historians and official politics of remembrance arguing that the link between women s education and emancipation of the society has yet to be properly explained The reader whether a student researcher social scientist or an intellectual interested in the history social development literature or politics of Serbia or the Balkan in general will benefit from the numerous original sources consulted This book is a reminder that understanding society means uncovering the hidden and giving voice to the ignored providing evidence that contradicts dominant theories rather than simply repeating what we are told

Modern American Women Writers Elaine Showalter,Lea Baechler,A. Walton Litz,1993-09-27 Featuring original contributions by scholars in the field of women s studies this invaluable reference illuminates the lives and works of Maya Angelou Kate Chopin Joan Didion Anne Tyler Susan Sontag Gertrude Stein Zora Neale Hurston Flannery O Connor Sylvia Plath Anne Sexton and others
