 her husband s absence Before Meghann can come clean her handsome elusive boss Bruce Halloway steps in the romantic
 charade as son in law Upon success Meghann and Bruce struggling to overcome the consequences of deception find
 themselves falling in love for real **Plots of Epiphany** John B. Weaver,2013-02-06 Past scholarship on the prison escapes
 in the Acts of the Apostles has tended to focus on lexical similarities to Euripides Bacchae going so far as to argue for direct
 literary dependence Moving beyond such explanations the present study argues that miraculous prison escape was a central
 event in a traditional and culturally significant story about the introduction and foundation of cults a story discernable in the
 Bacchae and other ancient texts When the mythic quality and cultural diffusion of the prison escape narratives are taken into
 account the resemblance of Lukan and Dionysian narrative episodes is seen to depend less on specific literary borrowing and
 more on shared familiarity with cultural discourses involving the legitimating portrayal of new cults in the ancient world
