his first century context and work out from there Here is a portrait of Jesus that in some ways will affirm what traditional Christianity has always understood about him and in other ways upend it altogether Award winning author Mark Clark delves into the person and work of Jesus of Nazareth his parables and miracles his controversial challenge of discipleship and obedience his seemingly insane claim to be God and what his death and resurrection if they did happen actually mean Mark is unafraid to tackle questions such as What would first century Jews have immediately recognized about Jesus that modern Christians often miss What do the Gospels accomplish and can we trust them Is there a problem with science and Jesus miracles What are the barriers stopping people from following him And what is Christianity in light of an accurate portrayal of the object of its faith The Problem of Jesus engages with ideas from all realms of study from Malcolm Gladwell and Jordan Peterson to historians scientists and philosophers from N T Wright to C S Lewis from Star Wars to Pretty Woman all unite to form a breathtaking and accurate portrait of Jesus the man the message and the mission who forever altered the course of human history As a former atheist I would call this book philosophical dynamite The Problem of Jesus will take your thinking about Jesus and your relationship with him to whole new levels Pastor and author Ray Johnston **Relovutionary** Jonathon William King,2020-09-18 RELOVUTIONARY clearly demonstrates that Jonny King has something of value to say to the church in these days I commend his book to you Jeff Crosby Publisher InterVarsity Press USA PHILOSOPHY FOR TRUE HUMAN FLOURISHING Each person without exception is desperate for flourishing Every individual hungers and aches to live an expression of the good life This compulsion inside is as automatic as it is intuitive This general human longing reflects a common drive for meaning and not just for the Christian Still most intimately know they can t entirely do life their way Whilst the majority readily confess they haven t the sufficient means or even the necessary power After all look at what happens when a global pandemic shuts down life The fact we rarely arrive at contented satisfaction becomes life s own rolling stone Do you have a present vision Are you confident of the process What about any worthwhile or ultimate goal This living challenge becomes even more practically specific for the Christian What if someone asked you for the content of a faithful and fruitful life for Christ What would you say Now factor in these challenging and confronting cultural times How would you reply After all you sincerely love Jesus and passionately want to live for Him which means you re entirely motivated to offer something not only realistic but true But can you The good news is that in your hands contain the opening lines where RELOVUTIONARY intends to be your own personal guide Volume One introduces this idea setting the coordinates for the reader s unfolding navigation The context is huge only increasing any anticipation on this series comprehensive value This Is Your Life has been genuinely engineered for any curious reader wanting an answer to the absurdity of existence and for every genuine follower of Jesus Christ determined to live a life worthy of His calling There is no greater promise or purpose than living for Jesus no matter age stage time or place which means there should be no further reading delay WELCOME TO THE LIFE RELOVUXIONARY *Apologetics at the Cross* Joshua D. Chatraw,Mark D. Allen,2018-05-15 2019 Outreach

Christianity and Market Regulation Daniel A. Crane, Samuel Gregg, 2021-07-08 Scholars from around the globe and across faith traditions consider the impact of Christianity on the regulation of markets and economic systems *Rational Faith* Stephen T. Davis, 2016-10-03 Why believe in God Renowned philosopher Stephen Davis argues that belief in God is indeed a rational and intellectually sound endeavor Drawing on a lifetime of rigorous reflection and critical thinking he appraises objections fairly and openly offering thoughtful approaches to common intellectual problems Examine for yourself the rationality of the Christian faith **Intuition of Significance** Albert Norton Jr., 2020-02-06 There is a big gap between the orthodox Christian understanding of reality and that of the default materialism of the culture We tend not to recognize the default perspective as coherent doctrinal and dogmatic in the same way religion is understood to be This is partly because of the tendency to describe one s views by what they are not rather than what they are To say I m not very religious for example is to say what one isn t not what one is The effect of this tendency is to obscure the metaphysical stance absorbed in place of religion leaving an illusory neutrality concerning spiritual truth Reality is the widest conceptual net we can cast The right first question is what constitutes all of reality Theism provides one answer materialism another We would do well to look critically at both This book traces the fault line between theism and materialism so as to follow the evidence where it leads evidence like the fact of being our incessant yearning our competing desires both for significance and insignificance and the subjective motivations we have with respect to beauty truth and morality all indicators of transcendent truth to which our physical surroundings point *Paradoxology* Krish Kandiah, 2017-01-14 Many of us have big questions about God that the Christian faith seems to leave unanswered But what if that tension is exactly where faith comes alive Paradoxology boldly claims that the paradoxes that seem to undermine belief are actually the heart of our vibrant faith and it is only by continually wrestling with them that God is most clearly revealed *Atheism on Trial* W. Mark Lanier, 2022-01-25 In the courtroom lawyers establish certain facts to prove their cases But can the legal mind discern the validity of one s belief or unbelief With an even handed approach nationally recognized trial lawyer Mark Lanier explores whether atheistic frameworks give satisfactory answers for understanding human existence and considers the questions of agnostics as to whether God is knowable **Can a Scientist Believe in Miracles?** Ian Hutchinson, 2018-09-11 Plasma physicist Ian Hutchinson has been asked hundreds of questions about faith and science Is God s existence a scientific question Is the Bible consistent with the modern scientific understanding of the universe Are there scientific reasons to believe in God In this comprehensive volume Hutchinson answers a full range of inquiries with sound scientific insights and measured Christian

perspective **Unanswered** Jeremiah J. Johnston, 2015-10-06 We live in a radically skeptical age Tough questions are being asked about Christianity And most believers are ill equipped to provide the answers our culture and communities desperately need Many in today s church do not know the Bible as well as they should and they struggle with their own big questions about the faith After receiving more than four thousand questions at his Christian Thinkers Society events over the span of six years Dr Jeremiah Johnston began to recognize six categories of recurring trending questions that dominated the rest In Unanswered he tackles these tough issues that plague the minds of believers but are rarely addressed in church such as Why is it that God often seems to remain silent How can we trust in the bodily resurrection of Jesus and what does it mean for us today What do Christians need to understand about suicide and mental illness How should Christians respond to spiritual darkness and the obsession with paranormal activity Why is biblical illiteracy so dangerous for Christians and the church Why do we experience suffering and pain Unanswered will leave you enriched characterized by a thinking faith capable to communicate confidently and committed to escape the tendency to offer trite answers to a skeptical world *Making Sense of God (Allah yang Masuk Akal)* Timothy Keller, Mungkin Anda dibesarkan sebagai orang Kristen tapi kemudian berhenti ke gereja Mungkin Agama mengecewakan Anda dan Anda tidak pernah kembali kepada Allah Mungkin Sains dan skeptisisme telah menggantikan kebutuhan Anda akan Allah Tapi Anda kesulitan menjawab pertanyaan hidup yang lebih besar Di mana saya bisa menemukan kepuasan Apakah kita bisa mendapat keadilan yang sebenarnya Mengapa saya tidak mengalami kepuasan Mungkin sudah waktunya untuk memikirkan ulang pandangan Anda tentang Allah Kita hidup dalam zaman yang menghargai pemikiran empiris perkembangan manusia dan hak bagi semua orang untuk menentukan ekspresi mereka yang paling otentik dari makna tujuan dan sukacita Jadi apakah konsep tentang Allah atau sebuah kuasa yang lebih tinggi masuk akal Apakah iman dan agama menawarkan sesuatu yang bernilai Dalam buku baru yang menggugah pemikiran ini pendeta dan penulis buku terlaris New York Times Timothy Keller mengundang orang-orang yang belajar filsafat sekular dan mereka yang skeptis terhadap iman dan agama secara umum untuk melihat bahwa Allah orang Kristen tetap masih masuk akal Bagaimana jika kekristenan ternyata bisa memberi kita sumber daya yang tak terbayangkan untuk menjawab semua pertanyaan tentang kepuasan kebebasan pribadi keadilan dan harapan Ditulis bagi mereka yang masih mencari iman dan orang sekular yang skeptis penjelasan buku ini tentang nilai dan pentingnya kekristenan menjadi lebih relevan dari sebelumnya
