The Big Book of Classic Fantasy Ann Vandermeer, Jeff VanderMeer, 2019-07-02 A FINALIST FOR THE 2020 WORLD FANTASY AWARD. Unearth the enchanting origins of fantasy fiction with a collection of tales as vast as the tallest tower and as mysterious as the dark depths of the forest. Fantasy stories have always been with us. They illuminate the odd and the uncanny, the wondrous and the fantastic. All the things we know are lurking just out of sight on the other side of the looking glass, beyond the music of the impossibly haunting violin through the twisted trees of the ancient woods. Other worlds, talking animals, fairies, goblins, demons, tricksters, and mystics: these are the elements that populate a rich literary tradition that spans the globe. A work composed both of careful scholarship and fantastic fun, *The Big Book of Classic Fantasy* is essential reading for anyone who's never forgotten the stories that first inspired feelings of astonishment and wonder. INCLUDING Stories by pillars of the genre like the Brothers Grimm, Hans Christian Andersen, Mary Shelley, Christina Rossetti, L. Frank Baum, Robert E. Howard, and J. R. R. Tolkien. home the night before and in the morning he was undiscoverable I was on the high seas homeward bound to help the search when the wireless told the story of his reappearance They had found him on the floor of his bedroom shreds of a silken robe on him and his body mauled as though by a tiger But there was no more explanation of his return than there had been of his disappearance The night before he hadn t been there and in the morning there he was Herndon when he was able to talk utterly refused to confide even in his doctors I went straight through to New York and waited until the men of medicine decided that it was better to let him see me than have him worry any longer about not seeing me Herndon got up from a big invalid chair when I entered His eyes were clear and bright and there was no weakness in the way he greeted me nor in the grip of his hand A nurse slipped from the room What was it Jim I cried What on earth happened to you Not so sure it was on earth he said He pointed to what looked like a tall easel hooded with a heavy piece of silk covered with embroidered Chinese characters He hesitated for a moment and then walked over to a closet He drew out two heavy bore guns the very ones I remembered that he had used in his last elephant hunt **A.
