Through The Eyes Of Strangers:

Through the Eyes of Strangers A J Smart,2021-06-21 Through the Eyes of Strangers is a journey of observation a snapshot of the lives of people and the human condition Humans are fascinatingly complex beings and this collection brings together some of these facets seen not just through the poet s eyes but also those of the readers making their own connections and interpretations as the poems are read through the eyes of strangers

Sexual Attraction James Giles,2015-06-30 One of a kind very few scholars surprisingly have written so engagingly on the nature and varieties of sexual attraction Elaine Hatfield Professor of Psychology University of Hawaii USA Illuminating Terri L Orbruch Professor of Sociology Oakland University USA Will make you think deeply about this rarely explored phenomenon Robert Scott Stewart Professor of Philosophy Cape Breton University Canada Highly recommended reading for those who want a smart articulate and engaging investigation of the diverse body of sexual attraction research Heidi Reeder Associate Professor of Communication Boise State University USA We all experience it but exactly how and why does sexual attraction happen Expert James Giles explores the universal yet highly individualized experience of being sexually attracted to another person Incorporating interviews research findings and excerpts from romantic and erotic literature lyrics and film Sexual Attraction The Psychology of Allure explores a subject that is central to the human experience and highly relevant in not only personal intimate interactions but also other relationships Although the causes and effects of sexual attraction have been studied sexual attraction itself how we experience others in terms of their sexual attractiveness remains a neglected rarely researched topic Philosopher and psychologist Dr James Giles presents jargon free information that is accessible and fascinating to the everyday reader as well as highly useful and informative to students and researchers in social psychology sexology sex and marital therapy and relationship counselling The book explores subjects and types of relationship including How sexual attraction is fundamentally different from other forms of interpersonal attraction How at the heart of sexual attraction lies the experience of allure something that makes one feel helplessly drawn toward an intimate physical joining with the sexually attractive person Cross sex friendships and whether women and men can ever be just friends Can sexual relations actually enhance and strengthen the friendship without turning it into a romantic relationship Can you be in love with someone you don t actually like Friends with benefits Romantic partnerships

The Maasai of Matapato Paul Spencer,2004-03-01 When first published in 1988 this classic study was the first to relate the dynamics of the Maasai age organisation to the tensions within the family Together these provide the twin strands of a man s career opposed ritually and reflecting a fundamental ambivalence in Maasai thought The analysis is illustrated with extensive case material from the the Matapato selected for this study as a typical Maasai group

Rescued by a Stranger Lizbeth Selvig,2013-10-01 A woman full of dreams When a stranger arrives in town on a vintage motorcycle Jill Carpenter has no idea her life is about to change She never expected her own personal knight in shining

armor would be an incredibly charming and handsome Southerner but one with a deep secret A man outrunning a tragedy When Chase Preston jumped on his motorcycle to escape he didn't expect the perfect woman to fall into his arms literally Though he can't deny his feelings for the sweet and beautiful Jill he doesn't see how he and his mistake filled past will fit into her bright future Falling in love may require more than either can give The longer Chase stays in Kennison Falls the more deeply Jill and the people of her community pull him in As Jill discovers Chase's heroic qualities she wants to find a home in his arms if only he'll trust her But will the truth tear them apart when Chase's past returns to haunt him Or can they get beyond dreams to gain the love that will rescue their two hearts **Chambers's Edinburgh Journal**, 1872 Performing Atheist Selves in Digital Publics Evelina Lundmark, 2023-02-24 This book considers how the non religious self is performed publicly online and how digital culture and technology shapes this process Building on a YouTube case study with women vloggers it presents unique empirical data on non organized atheism in the United States Lundmark suggests that the atheist self as performed online exists in tension between a perception of atheism as sinful and amoral in relation to hegemonical Christianity in the U S and the hyperrational male centered discourse that has characterized the atheist movement She argues that women atheist vloggers co effect third spaces of emotive resonance that enable a precarious counterpublicness of performing atheist visibility The volume offers a valuable contribution to the discussion of how the public the private and areas in between are understood within digital religion and opens up new space for engaging with the increased visibility of atheist identity in a mediatized society **Readings in Industrial Society** Leon Carroll Marshall, 1918 Welcome Home, Stranger Kate Christensen, 2023-12-05 Kate Christensen's new novel Welcome Home Stranger is a revelation offering characters as real as your family and friends a rich vividly drawn setting grab you by the throat drama and always lurking in the shadows a fierce authorial intelligence What more could you ask Richard Russo author of *Somebody's Fool* To the great literature of going home again we can now add Kate Christensen's superb new novel Welcome Home Stranger a triumph of intelligence and wit which will surprise none of her many fans The prodigal here is a brilliant journalist grieving the loss of a very difficult mother while attempting peace with those she left behind a resentful sister and an ex lover who can be neither trusted nor forgotten A spellbinding book from one of our best chroniclers of the very American struggle to strive for excellence while still living in community with others Ann Packer author of *The Children's Crusade* A deeply endearing story about confronting one's past and constructing a new future under extreme duress Welcome Home Stranger arrives at the most lovely ending of a novel I've read all year Washington Post From the PEN Faulkner Award winning author of *The Great Man* comes a novel about grief love growing older and the complications of family that is the story of a fifty something woman who goes home reluctantly to Maine after the death of her mother Can you ever truly go home again An environmental journalist in Washington DC Rachel has shunned her New England working class family for years Divorced and childless in her middle age she's a true independent spirit with the pain and experience to prove it Coping with

challenges large and small she thinks her life is in free fall until she is summoned home to deal with the aftermath of her mother's death Then things really fall apart Surrounded by a cast of sometimes comic sometimes heartbreakingly serious characters an arriviste sister an alcoholic brother in law and most importantly the love of her life recently married to the sister's best friend Rachel must come to terms with her past the sorrow she has long buried and the ghost of the mother who for better and worse made her the woman she is Lively witty and painfully familiar this sophisticated and emotionally resonant novel from the author of *The Great Man* holds a mirror up to modern life as it considers the way some of us must carry on now *Chambers's Edinburgh journal, conducted by W. Chambers. [Continued as] Chambers's Journal of popular literature, science and arts* Chambers's journal,1872

Through the Eyes of Strangers Sandra Dimock,2011-05-01
Suspenseful thought provoking and sometimes poignant *Through the Eyes of Strangers* explores the thoughts of four very different strangers when they are abducted by Slake a methamphetamine addict during a snow storm in Toronto During the long uncomfortable ride to some undisclosed location up North each captive grapples with terror over the unpredictable situation and also with the individual issues that saturated their thoughts just before the abduction Amy a PhD student has just been dumped by her lover Sanjeev a devout Hindu has recently disowned his daughter and is seriously considering forcing his family back to India Kyle a self proclaimed teenage outcast fights against his self loathing which he attributes largely to his Tourette's and Raine an unemployed punk influenced artist puts them all at risk by refusing to understand the danger of their situation Before this ordeal these strangers would hardly have glanced at each other now they must truly see if they want to survive *The Holy Intimacy of Strangers* Sarah York,2002-11-08 In *The Holy Intimacy of Strangers* Sarah York explores our common yearning for deeper and more meaningful connection with one another The book presents the paradox we often observe how our seemingly casual interactions with strangers can unlock the door to our hearts and help us discover how we need and yet often resist true intimacy in our relationships This provocative book gives us a new way to look at the qualities of our exchanges with strangers Once we begin this journey we can trace the outlines of our lives together in community our expressions of caring and hospitality the costs of prejudice and judgment our fears and defensiveness the tension between being inclusive or exclusive our expectations and assumptions about one another **The**
