China After Mao Frank Dikötter, 2022-11-15 A blow by blow account An important corrective to the conventional view of China's rise Financial Times From internationally renowned historian Frank Dikötter winner of the Samuel Johnson Prize a myth shattering history of China from the death of Chairman Mao to Xi Jinping Through decades of direct experience of the People's Republic combined with extraordinary access to hundreds of hitherto unseen documents in communist party archives the author of *The People's Trilogy* offers a riveting account of China's rise from the disaster of the Cultural Revolution He takes us inside the country's unprecedented four decade economic transformation from rural villages to industrial metropolises and elite party conclaves that vaulted the nation from 126th largest economy in the world to second largest A historian at the pinnacle of his field Dikötter challenges much of what we think we know about how this happened Casting aside the image of a society marching unwaveringly toward growth in lockstep to the beat of the party drum he recounts instead a fascinating tale of contradictions illusions and palace intrigue of disasters narrowly averted shadow banking anti corruption purges and extreme state wealth existing alongside everyday poverty He examines China's navigation of the 2008 financial crash its increasing hostility

towards perceived Western interference and its development into a thoroughly entrenched dictatorship with a sprawling security apparatus and the most sophisticated surveillance system in the world As this magisterial book makes clear the communist party's goal was never to join the democratic world but to resist it and ultimately defeat it **Problems of Communism** ,1991 **The Struggle for Tiananmen** Nan Lin,1992-12-30 Examines the events and environment surrounding the 1989 Tiananmen Square mass movement **The Far East and Australasia 1995** 26th 1995,European Commission,Taylor & Francis Group,1994-12 This comprehensive and systematic survey of all the countries of East Asia Southeast Asia Australia New Zealand and the Pacific Islands from Afghanistan to Vietnam presents statistics directory material and informative essays on topics relating to contemporary and historical events in the region as a whole Far East and Australasia 2008 Europa Publications,Routledge Staff,2007-11-15 A systematic survey of all the countries of East Asia South East Asia Australia New Zealand and the Pacific Islands Essential for anyone with a professional interest in the region Keeps up to date with current economic and political developments Part One General Survey Written by acknowledged authorities on the Pacific Rim this collection of essays forms an impartial overview of the area as a whole Topics include regional security issues human rights environmental issues recent economic trends and USA's relations with the Asia Pacific region Country Surveys Individual chapters on each country containing articles on geography history and the economy an economic and demographic survey of the latest available statistics on population agriculture industry finance trade transport tourism and education a directory of names addresses and contact numbers covering the constitution government legislature judiciary political organizations diplomatic representation religion the media finance trade industry tourism defence and education a select bibliography Regional Information Includes all major international organizations active in the region their aims activities publications and principal personnel a detailed survey of major commodities in Asia and the Pacific a directory of research institutes specializing in the region select bibliographies of books and periodicals covering the Far East and Australasia and an index of regional organizations *Encyclopedia of Conflicts Since World War II* James Ciment,2015-03-27 Thoroughly revised to include 25 conflicts not covered in the previous edition as well as expanded and updated information on previous coverage this illustrated reference presents descriptions and analyses of more than 170 significant post World War II conflicts around the globe Organized by region for ease of access Encyclopedia of Conflicts Since World War II Second Edition provides clear in depth explanations of events not covered in such detail in any other reference source Including more than 180 detailed maps and 150 photos the set highlights the conflicts that dominate today's headlines and the events that changed the course of late twentieth century history **Modernization and Revolution in China** June M. Grasso,Jay P. Corrin,Michael Kort,1997 In this important text now revised and updated the drama of China's struggle to modernize unfolds against the backdrop of a proud and enduring history Spanning the Opium War to China in the late 1990s the book narrates the great episodes that highlight that journey the breakdown of imperial

China in the face of relentless Western and Japanese encroachments the rise of the new Chinese republic the early struggles between the ideologies and armies of Chiang Kai shek and Mao Zedong China s bitter and costly war with Japan the final shootout that sent Chiang to Taiwan and Mao to Beijing and the long years of the People s Republic culminating in the reforms of Deng Xiaoping and tragically punctuated by the Great Leap Forward the Cultural Revolution and Tiananmen As China emerges from the abyss she was in during the twentieth century to become a world class economic superpower of the post Cold War Asia Pacific region this book is essential for understanding how China reached these new heights This is a good undergraduate textbook Controversial and lively and ends up being quite a pleasure to read Strongly recommended to all university students in the field *Journal of Contemporary Asia* on the previous edition **The China Democracy**

Movement and Tiananmen Incident Elaine Yee-man Chan, Leslie Evans, 1999 *Eighteen Layers of Hell* Kate Saunders, 1996 British journalist Saunders draws from interviews with former Chinese prisoners including the celebrity Harry Wu who inspired the book and from written accounts to recreate the day to day experience and engender outrage in readers Among her chapter titles are No Day or Night the State as Psychopath Return from Hell A Dream of Democracy Getting Used to Surviving Sexual Reform and the Pseudo Boys the Dream of Gold and The Earth on the Other Side of the World Distributed by Books International Annotation copyrighted by Book News Inc Portland OR Social Stratification and Inequality Harold R. Kerbo, 2000 This revised edition aims to provide a comprehensive exploration of the economic and social divisions in human societies The book takes a global perspective and includes detailed information on stratification around the world addressing the ways in which governments corporations and workers cope with milestone changes such as greater European unification and an increased US economic presence Extensive comparative information as well as an overview of how historically social stratification has changed and evolved gives readers a global perspective on class conflict

Cataloging Bulletin Hennepin County Library. Cataloging Section, 1990 HCL Cataloging Bulletin Hennepin County Library. Technical Services Division, 1990 **China's Reforms and Reformers** Alfred K. Ho, 2004-04-30 Ever since the death of Mao China has undergone a transformation almost as radical as the Communist Revolution that Mao instigated This book tells the stories of the many difficult economic political and social struggles that have taken place in post Maoist China Using both Chinese and non Chinese sources Alfred K Ho unravels the complexities of life in China during the past generation As Ho explains contemporary Chinese are seeking to find solutions to their problems that reflect their own cultural values As such reform in China cannot be seen solely as an effort to emulate the West especially the free market and democratic United States Rather Ho places current efforts at reform as part of a prolonged and continual process by Chinese to deal with their internal problems as well as the challenges and opportunities they face as a result of greater contact with the outside world Kaapse bibliotekaris, 1991 Issues for Nov 1957 include section Accessions Aanwinste Sept 1957
