Discoveries: Tibet Francoise Pommaret-Imaeda, 2003-07-01 This illuminating account by a cultural anthropologist examines the turbulent and painful history of this country and its gentle people's continuing struggle for independence 162 illustrations 132 in full color

Cultural Landscapes of South Asia Kapila Silva, Amita Sinha, 2016-10-14 Winner of the Environmental Design Research Association's 2018 Achievement Award The pluralism of South Asia belies any singular reading of its heritage In spite of this diversity its cultural traditions retain certain attributes that are at their core South Asian in their capacity to self organize enact and reinvent cultural memories and in their ability to retain an intimate connection with nature and landscape This volume focuses on the notion of cultural landscape as a medium integrating multiple forms of heritage and points to a new paradigm for conservation practices in the South Asian context Even though the construct of cultural landscape has been accepted as a category of heritage its potent use in heritage management in general and within the South Asian context in particular has not been widely studied The volume challenges the prevalent views of heritage management in South Asia that are entrenched in colonial legacies and contemporary global policy frameworks

Contemporary Tibet Barry Sautman, June Teufel Dreyer, 2017-03-02 The subject of Tibet is highly controversial and Tibet as a political entity is defined differently from source to source and audience to audience The editors of this path breaking multidisciplinary study have gathered some of the leading scholars in Tibetan and ethnic studies to provide a comprehensive analysis of the Tibet question Contemporary Tibet explores essential themes and issues concerning modern Tibet It presents fresh material from various political viewpoints and data from original surveys and field research The contributors consider such topics as representations and sovereignty economic development and political conditions the exile movement and human rights historical legacies and international politics identity issues and the local society The individual chapters provide historical background as well as a general framework to examine Tibet's present situation in world politics the relationship with China and the West and prospects for the future

Discoveries: Frida Kahlo, Painting Her Own Reality Christina Burrus, 2008-04 My painting carries within it the message of pain Frida Kahlo born in 1907 near Mexico City learned about pain at a very early age She contracted polio at six and then at eighteen suffered serious and permanent injury to her right leg and pelvis in a terrible bus accident Young and undaunted she went on to fall in love with the great mural painter Diego Rivera at a time when their native Mexico was going through a period of thrilling political and cultural upheaval Rivera and Kahlo were a legendary couple both were impassioned lifelong communists while fervently attached to traditional Mexican Indian culture and both were driven by a relentless artistic ambition that surmounted all the dramas that plagued their marriage Later Frida became the friend and lover of Leon Trotsky She was greatly admired by the Surrealists and sat for some of the greatest photographers of her day Her art largely consisted of self portraits like the famous paintings The Two

Fridas and The Broken Column though she also left many striking still lives In Frida Kahlo Painting Her Own Reality Christina Burrus assesses Frida Kahlo s extraordinary work a maelstrom of cruelty humor candor and insolence reflecting the essence of a free beautiful courageous woman who concealed her physical pain behind peals of infectious laughter

Antiquities of Northern Tibet John Vincent Bellezza,2001 **History and Religion** Bernd-Christian Otto,Susanne Rau,Jörg Rüpke,2015-08-31 History is one of the most important cultural tools to make sense of one s situation to establish identity define otherness and explain change This is the first systematic scholarly study that analyses the complex relationship between history and religion taking into account religious groups both as producers of historical narratives as well as distinct topics of historiography Coming from different disciplines the authors of this volume ask under which conditions and with what consequences religions are historicised How do religious groups employ historical narratives in the construction of their identities What are the biases and elisions of current analytical and descriptive frames in the History of Religion The volume aims at initiating a comparative historiography of religion and combines disciplinary competences of Religious Studies and the History of Religion Confessional Theologies History History of Science and Literary Studies By applying literary comparison and historical contextualization to those texts that have been used as central documents for histories of individual religions their historiographic themes tools and strategies are analysed The comparative approach addresses circum Mediterranean and European as well as Asian religious traditions from the first millennium BCE to the present and deals with topics such as the origins of religious historiography the practices of writing and the transformation of narratives **Libricide** Rebecca Knuth,2003-07-30 Where they have burned books they will end in burning human beings declared German poet Heinrich Heine This book identifies the regime sponsored ideologically driven and systemic destruction of books and libraries in the 20th century that often served as a prelude or accompaniment to the massive human tragedies that have characterized a most violent century Using case studies of libricide committed by Nazis Serbs in Bosnia Iraqis in Kuwait Maoists during the Cultural Revolution in China and Chinese Communists in Tibet Knuth argues that the destruction of books and libraries by authoritarian regimes was sparked by the same impulses toward negation that provoked acts of genocide or ethnocide Readers will learn why some people even those not subject to authoritarian regimes consider the destruction of books a positive process Knuth promotes understanding of the reasons behind extremism and patterns of cultural terrorism and concludes that what is at stake with libricide is nothing less than the preservation and continuation of the common cultural heritage of the world Anyone committed to freedom of expression and humanistic values will embrace this passionate and valuable book **From the beginnings of civilization through the discovery and conquest of the New World.
