understanding and improving children's behavior as well as your own. Contains clear actionable steps to establish a new and effective discipline style. Your two kids are bickering in the back seat sniping turns to screeching and seat belts are yanked off as big brother lunges for little sister. You're at your wits' end but you remember Becky Bailey's advice about the Power of Perception. No one can make you angry without your permission. Whoever is in charge of your feelings is in charge of you. Instead of yelling a vague "Don't make me have to stop this car," you clearly state "I feel overwhelmed with all this noise in the car. You may not take off your seat belts or hit each other. I'm going to pull over until you put your seat belts on." You've just used the Discipline Skill of Composure, living the values you want your child to develop. The Value you're modeling is Integrity: how to be in charge of our own feelings and actions. Kids with integrity take ownership of their own mistakes, don't cave in to peer pressure, and go through life with their heads on straight and hearts intact. This book contains dozens of down-to-earth anecdotes and scenarios that illustrate how to put your new discipline skills into action and a seven-week program to get parents off to a quick start. The results far exceed most parents' dreams. *Discipline That Works* Joyce E. Divinyi, 2003
