Time Briton Hadden, Henry R. Luce, 1963 *The Illustrated London News*, 1964 *Facts on File Yearbook*, 1962
Facts on File, 1961 **Life**, 1964-05 **Nyerere** Thomas Molony, 2016-10-04 A uniquely detailed portrayal of the formative years of Tanzania's first president and the influences that led him to enter politics **Statement by Mwalimu Julius K. Nyerere, President of the Republic of Tanganyika, on the Presidential Commission Appointed to Consider the Changes in the Constitution of Tanganyika and the Constitution of the Tanganyika African National Union, and in the Practice of Government that Might be Necessary in Order to Bring Into Effect a Democratic One Party State in Tanganyika** Julius Kambarage Nyerere, 1964 **Some Comments on Mr. Nyerere's Speech at the Fourth Committee of the United Nations** Tanganyika, 1957 This document is a commentary prepared by the Government of Tanganyika on a speech given by Mr Julius Nyerere President of the Tanganyika African National Union at the 579th meeting of the Fourth Committee of the United Nations General Assembly held in New York on 20th December 1956 Page following title page *Speech of President Mwalimu Julius K. Nyerere at the Opening of the Association of Chambers of Commerce of Eastern Africa, February 11, 1963* Julius Kambarage Nyerere (Pres. Tanganyika and Tanzania), 1963
Independence and Solidarity Tanzania. President (1964- : Nyerere), 1963 **The Union of Tanganyika and Zanzibar** Godfrey Mwakikagile, 2016-07-30 The author looks at how the union of Tanganyika and Zanzibar was formed to create the new nation of Tanzania He contends that Anglo American geopolitical interests in the context of the Cold War were not the driving force behind the merger but the initiatives taken by the leaders of Tanganyika and Zanzibar to unite their countries He also states that the leaders who played the biggest role in forming the union were President Julius Nyerere of Tanganyika Tanganyika's minister of foreign affairs Oscar Kambona President Abeid Karume of Zanzibar and Zanzibar's vice president Abdallah Kassim Hanga but especially Nyerere and Kambona because of the decisions they made and implemented to lay the foundation and facilitate the merger He cites various sources to document his study The work is a counter thesis to the argument that the leaders of the United States and Britain including their diplomats in the two East African countries conceived and facilitated formation of the union to protect Western interests in the region It is argued that they did so in order to neutralise communist influence in Zanzibar because the island nation was in danger of becoming a communist satellite controlled by the Soviets or the Chinese if it came under the leadership of Zanzibar's minister of foreign affairs Abdulrahman Mohamed Babu who was considered to be pro Chinese or Kassim Hanga who was considered to be pro Soviet That would have provided a base for the Soviets or the Chinese and their allies to spread communism and undermine Western interests in the region and in Africa as a whole if indeed as it was feared by the West Zanzibar became the Cuba of Africa The author also looks at the challenges the union faced when it was being formed and the other challenges it has faced and continues to face since then The work is an updated version of the author's previous books on the formation of Tanzania

the first and only union of independent states ever formed on the continent since the end of colonial rule *Courage of
