

An artistic illustration of a mother sheep and her lamb. The mother sheep, with thick, curly white wool, is lying down on the right side of the frame, her head resting on the ground. She has a gentle expression and her eyes are closed. The lamb, smaller and also with white wool, is lying down on the left side, facing the mother sheep. It is also sleeping with its eyes closed. They are in a grassy field at night, with a dark blue sky and a few small white stars visible in the background. The overall mood is peaceful and tender.
