Times Square Remade Lynne B. Sagalyn, 2023-10-10 The illuminating evolution of the iconic space of Times Square What is it about Times Square that has inspired such attention for well over a century And how is it that despite its many changes of character the place has maintained a unique hold on our collective imagination In this book which comes twenty years after her widely acclaimed *Times Square Roulette* Lynne Sagalyn masterfully tells the story of profound urban change over decades in the symbolic space that is New York City's Times Square Drawing on the history sociology and political economy of the place *Times Square Remade* examines how the public private transformation of 42nd Street at Times Square impacted the entertainment district and adjacent neighborhoods particularly Hell's Kitchen Sagalyn chronicles the earliest halcyon days of 42nd Street and Times Square as the nexus of speculation and competitive theater building as well as its darkest days as vice central and on to the years of aggressive government intervention to cleanse West 42nd Street of pornography and crime Thematically the author analyzes the three main forces that have shaped and reshaped Times Square theater real estate and pornography and explains the politics and economics of what got built and what has been restored or preserved Accompanied by nearly 160 images more than half in color *Times Square Remade* is a deftly woven narrative of urban transformation that will appeal as much to the general reader and New York City enthusiast as to urbanists city planners architects urban designers and policymakers

Vintage Postcards of New York Silvia Lucchini, Stefano Lucchini, 2016-09-13 A delightful collection of vintage and antique postcards of New York This book presents a rare collection

of more than 100 of the best vintage New York City postcards providing a snapshot of how much the Big Apple has changed and how much has remained recognizably the same During the early years of the twentieth century postcard photographers traveled the length and breadth of Manhattan snapping images and documenting landmarks and important new architectural masterpieces such as the Singer Building 1908 the Metropolitan Life Insurance Company Tower 1909 and the Woolworth Building 1913 each of which succeeded the other as the world s tallest building at the time of their respective completion Also celebrated were the engineering feats of the Brooklyn Bridge and the elevated trains and early subway as well as popular amusements such as the original Madison Square Garden and the Hippodrome which occupied an entire city block at Longacre Square since renamed Times Square Scenic views of the city from a distance were equally popular and in fact led to the coining of the word skyline in 1896 This charming keepsake volume is the perfect souvenir for architecture and history buffs and makes a wonderful gift
