Tip And Trade How Two Lawyers Made Millions From Insider Trading:

Tip and Trade Mark Coakley, 2011-04 The story of a friendship that started in law school and ended with the largest insider trading scandal in Canadian history this eye opening chronicle reveals for the first time how Gil Cornblum and Stan Grmovsek worked together to rip off Wall Street and Bay Street the Canadian Wall Street equivalent for over 10 million Cornblum would scout around his law offices in the middle of the night looking for confidential information on mergers or takeovers When he found something he would tip off Grmovsek who would make the stock market trades that would gain them illegal profits From the joint internal investigation by the Ontario Securities Commission the U S Securities and Exchange Commission and the Royal Canadian Mounted Police Integrated Market Enforcement Team to Cornblums resultant suicide and Grmovseks 39 month prison sentence *Tip and Trade* covers the discovery of the double lives of the twosome and their inevitable downfall First person interviews conducted with Grmovsek from prison give insight into what case prosecutors called a classic Hollywood insider trading history

Hidden Harvest Mark Coakley, 2014-05-01 tagline A thoroughly researched and authoritative page turner about this unprecedented operation and bust Mark Coakley lifts the veil on the riveting story of a group of criminals Ontario police would call them a gang with no name whose most famous exploit was turning an abandoned Molson beer factory north of Toronto into a giant indoor jungle of cannabis The operation produced tens of millions of dollars in profits and involved gun smuggling slavery violence pornography and running cocaine and other illegal chemicals When the grow op was raided by police in 2003 the massive scale of the operation drew international media attention The true masterminds behind the operation were not arrested until 2011 and it was only then that the real story behind North America s biggest grow op came to light

From the Great Recession to the Covid-19 Pandemic Jerry W. Markham, 2022-03-31 This volume narrates the financial history of the United States during a period of great upheaval in the early part of the 21st century It is divided into three chronological sections the first section describes the recovery of financial markets after the Great Recession It begins with an overview of the state of the economy at the start of the new decade including some of the political storms affecting the economy and financial markets It explores the uneven nature of the recovery and volatility in the Treasury during these years The second section sets forth regulatory responses to the Financial Crisis of 2008 including the massive fines imposed on large banks by a swarm of regulators It examines the too big to jail prosecution model cases involving Libor and foreign exchange manipulation and the impact of rogue traders It also looks at the developments in payment systems rise of crowdfunding as a source of capital and high frequency trading The third section describes the rules adopted under the Dodd Frank Act of 2010 that broadly affected financial markets It also recounts the Trump trade wars and ends with an account of the financial and economic turmoil that occurred during the Covid 19 pandemic in 2020 The volume will be an essential addition to academic and public libraries with readers drawn from business schools departments of economics and finance and historians
