Now, with this book's in-depth study, you can maximize the potential of this energy in your magic. Esteemed magician Donald Tyson presents an advanced look at how to compose your own incantations, use words and names of power, control the living breath, and more. He shows you the inherent potency of vibrating words and vowels, providing numerous examples from historical texts and occult practice. Tyson presents a wide variety of spells for healing, love, and protection. He also shares enchantments for herbs, potions, wands, and even people.
