Meditations for Mediocre Mystics Tom Stella,2023-01-27 The term mediocre mystics seems a fitting way to refer to those who yearn for the nameless but do not qualify as full blown mystics I realize that because there is nothing middling about mystics mediocre mystics may appear to be an oxymoron but the root meaning of mediocre is not second rate From the Latin mediocris the word means moderate or ordinary and has been used figuratively to refer to one who is halfway up a mountain Unlike ordinary folks sainted mystics have reached the mountaintop they are on a first name basis with the nameless But just because we haven t arrived at the heights just because our lives unfold in the valley of ordinary everyday life doesn t mean that we cannot or do not experience the desire that has fueled the mystic s climb All my life my heart has yearned for a thing I cannot name Andre Breton All my life I have experienced the yearning to which French writer and poet Andr Breton refers For me that yearning is composed in part of a subtle discontent a quiet feeling that something is missing despite the fact that nothing is missing Significant relationships meaningful work as well as material and monetary security have never been enough to satisfy the desire for that which I cannot name I know I m not alone in my discontent or my longing for the nameless for mystics of every spiritual and religious tradition have spoken of their desire for and experience of union with a spiritual entity that is as real as it is

surreal I am not claiming that just because I share their yearning I consider myself a mystic but neither do I believe that the term mystic is entirely inappropriate for those of us who might glimpse briefly what certified or canonized mystics have been blinded by City of the Big Shoulders Ryan G. Van Cleave, 2012-04 Chicago has served as touchstone and muse to generations of writers and artists defined by their relationship to the city's history, lore, inhabitants, landmarks, joys and sorrows, pride and shame. The poetic conversations inspired by Chicago have long been a vital part of America's literary landscape from Carl Sandburg and Gwendolyn Brooks to experimental writers and today's slam poets. The one hundred contributors to this vibrant collection take their materials and their inspirations from the city itself in a way that continues this energetic dialogue. The cultural, ethnic and aesthetic diversity in this gathering of poems springs from a variety of viewpoints, styles and voices as multifaceted and energetic as the city itself. Cristin O'Keefe Aptowicz: I want to eat in a city smart enough to know that if you are going to have that heart attack you might as well have the pleasure of knowing you've really earned it. Renny Golden: In the heat of May 1937 my grandfather sits in the spring grass of an industrial park with hundreds of striking steelworkers. Joey Nicoletti: The wind pulls a muscle as fans yell the vine off the outfield wall. Mustard stained shirts, hot dog smiles and all. The combined energies of these poems reveal the mystery and beauty that is Second City: the City by the Lake, New Gotham, Paris on the Prairie, the Windy City, the Heart of America and Sandburg's iconic City of the Big Shoulders. Live Slowly Jodi H. Grubbs, 2024-04-30 After assuming the rapid pace and stress of city living in the States Jodi Grubbs realized God was bidding her to return to the island time of her childhood home. Evoking the gentle rhythms of Bonaire in the Caribbean Jodi invites you to a life anchored by the forced pauses of spiritual practices and an openhandedness before God. **Overextended and Loving Most of It** Lisa Harper, 2013-09-03 Would you consider your life stretched to the limit? Are you a burn the candle at both ends kind of gal with lots of room for improvement when it comes to creating margins for rest? But you actually love it and wouldn't want it any other way. Well so does Lisa Harper. In her humorous and packed with biblical wisdom way Lisa shows us that it is possible for a frazzled nature to be glorifying to the Lord. Every late night conversation with a hurting friend and each precious adopted child needing a little extra tender loving care exhausting yet imperative ways to be extensions of the gospel. In each of these vignettes illustrating Lisa's overextended life we learn that even in the middle of our own pure motives and hectic schedules it is only by resting in God's sovereign mercy that we are able to keep risking our hearts to serve his people and fulfill the callings he has placed on us. Real life abundant life, godly life is about loving Jesus and the people he allows us to rub shoulders with, well which means some days you'll be stretched emotionally and physically. You'll feel overextended. Thankfully God will expand our hearts and calendars to accommodate the calling. He is in the business of supplying us with new mercies every morning, new candles to burn for more lives needing his light. **Faith and the Media** Dennis D.
