Like-Minds: Two Hearts, One Mind, One God Julien M. Folks, 2021-11-24 It is not a question that marriages today, especially in this country, are under attack. The sacred union between man and woman, through the lenses of our nation, has seemingly lost its value and respect amid a growing culture that has degraded its significance. This is an epidemic in its own right. *Like Minds, Two Hearts, One Mind, One God: Rediscovering the Value of Marriage* is a book that attempts to act as a clarion call to refocus man's attention and heart back to biblical principles carried out by both husband and wife. God is the Creator of all things, including marriage. Like any creation, God has in mind the purpose of the creation before He creates it. Minister Julien Folks passionately shares insight on helping young singles and married couples understand that God has a methodology in revealing His plan and purpose within His marriage covenant. Throughout this book, readers will identify one underlining principle: How the marriage thinks as one in Christ propels them through every difficulty with a new perspective in God. In his first book, *Like Minds, Two Hearts, One Mind, One God: Rediscovering the Value of Marriage*, the author shares solid scriptural support, personal challenges, and experiences to outline the process and spiritual journey both husband and wife must commit to in ensuring an overall healthy, sustaining, and successful marriage. Join countless others who are rediscovering the purpose of marriage while learning practical and necessary tools to engage *Two Hearts through One Mind in One God*.

Pattern K. J. Parker, 2025-05-01 In a world he does not know, Poldarn's future is uncertain. Pursued by invisible enemies and haunted by the demons of his past, nobody can be trusted, not even himself. It seems attempting to piece together his own life from whatever scattered fragments he can find and dreams that hide as much as they reveal has brought him nothing but trouble. Now all he craves is peace. But will he find it on the island he believes to be his childhood home? Or will this place hold more terrors for him to confront?

Singing Out Heather MacLachlan, 2020-12-01 Can you change the world through song? This appealing idea has long been the professed aim of singers who are part of choruses affiliated with the Gay and Lesbian Association of Choruses (GALA). These choruses first emerged in the 1970s and grew out of a very American tradition of often gender-segregated choral singing that explicitly presents itself as a community-based activity. By taking a close look at these choruses and their mission, Heather MacLachlan unpacks the fascinating historical and cultural dynamics behind groups that seek to change society for the better by encouraging acceptance of LGBT-identified people and promoting diversity more generally. She characterizes their mission as integrationist rather than liberationist and zeroes in on the inherent tension between GALA's progressive social goals and the

fact that the music most often performed by GALA groups is deeply rooted in a fairly narrowly conceived tradition of art music that identifies as white Euro centric and middle class and that much of the membership identifies as white and middle class as well. Pundits often wax eloquent about the power of music asserting that it can in some positive way change the world. Such statements often rest on an unexamined claim that music can and does foster social justice. Singing Out GALA Choruses and Social Change tackles the premise underlying such claims analyzing groups of amateur singers who are explicitly committed to an agenda of social justice.

The Romance of Adultery Peggy McCracken, 2013-04-05 Peggy McCracken offers a feminist historicist reading of Guenevere Iseut and other adulterous queens of Old French literature and situates romance narratives about queens and their lovers within the broader cultural debate about the institution of queenship in twelfth and thirteenth century France. Moving among a wide selection of narratives that recount the stories of queens and their lovers, McCracken explores the ways adultery is appropriated into the political structure of romance. McCracken examines the symbolic meanings and uses of the queen's body in both romance and the historical institutions of monarchy and points toward the ways medieval romance contributed to the evolving definition of royal sovereignty as exclusively male.

Rewards and Fairies Rudyard Kipling, 2015-12-27 Joseph Rudyard Kipling born 30 December 1865 18 January 1936 was an English short story writer, poet and novelist. He wrote tales and poems of British soldiers in India and stories for children. He was born in Bombay in the Bombay Presidency of British India and was taken by his family to England when he was five years old. *Rewards and Fairies* is a historical fantasy book by Rudyard Kipling published in 1910. The book consists of a series of short stories set in historical times with a linking contemporary narrative. Dan and Una are two children living in the Weald of Sussex in the area of Kipling's own home, Bateman's. They have encountered Puck and he magically conjures up real and fictional individuals from Sussex's past to tell the children some aspect of its history and prehistory, though the episodes are not always historically accurate. Another recurring character is Old Hobden who represents the continuity of the inhabitants of the land. His ancestors sometimes appear in the stories and seem very much like him. Some stories contain elements of the supernatural as well as history. Excerpt from Wikipedia.
