Power to Pray Don Andreson, 2012-05-08 There is or at least ought to be power in prayer. The Bible after all is filled with stories of people who prayed and saw amazing results. Jesus, our Disciple, besides praying often and with the clear expectation of results, taught us to always pray and to never give up. Yet too many of us lack the power to pray consistently and effectively. Prayer is often a duty seldom performed instead of a living experience of connecting with heaven's power. The Bible's true statement, Faith without works is dead, is also true when turned backward: an absence of prayer in our life demonstrates the absence of faith in our heart; faith in the actual effectiveness of prayer as the Bible describes it. If we pray, God will act; if we don't pray, He won't. The sole aim of *Power to Pray* is to increase this faith in all of us so that our Father, who eagerly waits for us to pray, can act on earth as in heaven. The rest is up to you and the Holy Spirit. My prayer is that the immense purposes of God will be accomplished through your simple prayers.

Rogers,2022-04-28 We can know that if we pray some outcomes will be different than if we do not pray because God made many promises conditioned on whether we ask These promises relate to a galaxy of concerns and needs that are important to us and God such as faithfully serving God and experiencing his blessings in our life health marriage children family and job If we fail to pray about everything as the Scripture commands Phil 4 6 we will enter heaven and learn there were many things God would have done in and through us if only we d asked Sadly Calvinism s determinism has turned these wonderful promises into nothing more than a promise that God will do what he predetermined to do regardless of whether we pray or not Do not allow Calvinism s deterministic beliefs and distortions of Scripture to rob you of this blessed intimate prayer relationship with God
