Understanding The Social World Of The New Testament:

Understanding the Social World of the New Testament Dietmar Neufeld, Richard DeMaris, 2009-10-29 The New Testament is a book of great significance in Western culture yet is often inaccessible to students because the modern world differs so significantly from the ancient Mediterranean one in which it was written. It is imperative to develop a cross cultural understanding of the values of the ancient Mediterranean society from which the New Testament arose in order to fully appreciate the documents and the communities that they represent. Dietmar Neufeld and Richard E DeMaris bring together biblical scholars with expertise in the social sciences to develop interpretative models for understanding such values as collectivism, kinship, memory, ethnicity and honour, and to demonstrate how to apply these models to the New Testament texts. Kinship is illuminated by analysis of the Holy Family as well as to early Christian organisations, gender through a study of Paul's view of women and landscape and spatiality through a discussion of Jesus of Nazareth. This book is the ideal companion to study of the New Testament.

Papyri and the Social World of the New Testament Sabine R. Huebner, 2019-07-11 Explores the socio economic background of people in the New Testament using papyrological evidence from Roman Egypt. The Social World of Jesus and the Gospels Bruce J. Malina, 2002-11-01 In order to interpret historical writings the reader must not employ their modern understanding of the world but must strive to grasp the mindset of the original audience. To assist the twentieth century New Testament reader in understanding the literal meaning of the New Testament is the goal of this collection of essays. The Social World of Jesus and the Gospels provides the reader with a set of possible scenarios for reading the New Testament. How did first century persons think about themselves and others? Did they think Jesus was a charismatic leader? Why did they call God father? Were they concerned with their gender roles? The eight essays in this collection were previously published in books and journals generally not available to many readers. Carefully selected and edited, this collection will be both an introduction and an invaluable source of reference to Bruce Malina's thought.

The World of the New Testament Joel B. Green, Lee Martin McDonald, 2013-08-15 This volume addresses the most important issues related to the study of New Testament writings. Two respected senior scholars have brought together a team of distinguished specialists to introduce the Jewish Hellenistic and Roman backgrounds necessary for understanding the New Testament and the early church. Contributors include renowned scholars such as Lynn H Cohick, David A deSilva, James D G Dunn and Ben Witherington III. The book includes seventy five photographs, fifteen maps, numerous tables and charts, illustrations and bibliographies. All students of the New Testament will value this reliable up to date comprehensive textbook and reference volume on the New

Testament world **The Cambridge Companion to Biblical Interpretation** John Barton, 1998-07-28 This guide to the state of biblical studies features 20 chapters written by scholars from North America and Britain and represents both traditional and contemporary points of view **In Christ, in Colossae** Derek Tidball, 2014-08-08 In this book Derek Tidball takes the reader through a number of sociological models and engages with Paul's Letter to the Colossians. He examines such topics as conversion, identity, the social construction of belief and institution, and Christian ethics. Finally, he discerns the church as a reading community. The purpose of the book is to apply major sociological discussions of the New Testament to the letter of Colossians with the objectives of a) introducing those who do not know the rich literature on the sociology of the New Testament to some concrete examples of it and the illumination it provides, b) providing a systematic sociological approach to Colossians, and c) engaging with and evaluating the scattered discussion that has been held with regard to Colossians. The result is a rich engagement with the Letter to the Colossians and an encouragement to look again at our own Christian communities.

Class Struggle in the New Testament Robert J. Myles, 2018-12-31 Class Struggle in the New Testament engages the political and economic realities of the first century to unmask the mediation of class through several New Testament texts and traditions. Essays span a range of subfields, presenting class struggle as the motor force of history by responding to recent debates, historical data, and new evidence on the political-economic world of Jesus, Paul, and the Gospels. Chapters address collective struggles in the Gospels, the Roman military, and class; the usefulness of categories like peasant, retainer, and middling groups for understanding the world of Jesus; the class basis behind the origin of archangels; the Gospels as products of elite culture; the implication of capitalist ideology upon biblical interpretation; and the New Testament's use of slavery metaphors, populist features, and gifting practices. This book will become a definitive reference point for future discussion.

Nordic Interpretations of the New Testament Louise Heklgård Bylund, René Falkenberg, Marianne Bjelland Kartzow, Kasper Bro Larsen, 2020-09-07 This volume brings together contributions from the ongoing conversation among New Testament scholars from the Nordic Countries, namely Denmark, Iceland, Finland, Norway, and Sweden. The aim is to challenge the New Testament texts and their interpretations but also to be challenged by these texts and interpretation, i.e. how to read, interpret, and contextualize the impact of these texts and how to conceptualize the power and authority attributed to them. As neighbours in peripheral Europe, partly sharing language and history, scholars of this region also aim to participate in the broader international discourse. The fact that their common academic language is English begs the question whether many of the current essays could have been written in different settings, since they do not explicitly reflect on contextual issues. Or is this the case? What characterizes that part of the world: are social democracies with relatively high standards of living, a strong Protestant past, but an increasing multicultural population, public welfare systems, and gender equality? Public universities still have money and can prioritize mobility and internationalisation accordingly, although few people live in the Nordic countries. Relatively many biblical scholars have roots there.

Understanding The Social World Of The New Testament Introduction

In today's digital age, the availability of Understanding The Social World Of The New Testament books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Understanding The Social World Of The New Testament books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Understanding The Social World Of The New Testament books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Understanding The Social World Of The New Testament versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Understanding The Social World Of The New Testament books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Understanding The Social World Of The New Testament books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they

can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Understanding The Social World Of The New Testament books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Understanding The Social World Of The New Testament books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals.
