back when he developed heart failure that took him into the valley of death Prior to Christmas of 2017 the author had a divine encounter with Dr Wencker the medical director of Advanced Heart Failure Program at Baylor Scott White Hospital in Dallas Texas and was hospitalized to determine if he was a heart transplant candidate The author was admitted into the heart transplant program at Baylor Hospital Dallas Texas and in March of 2018 had a successful heart transplant and currently recovering After awakening from transplant surgery his first words were I Got My Life Back which is the title of this book The author writes of his experience and journey from heart disease to the heart transplant The author writes this book from the biblical world view and not the world view that is so prevalent today During his journey through the valley of death the author discovered that God is a God of infinite love and tender mercies and that he hears and answers prayers and still performs miracles today Because of His belief and faith in Christ the author is a living miracle and a testimony of the love grace and power of God A portion of the proceeds of the book sales will be donated to the Baylor Heart Transplant Center Financial Services to help heart transplant patients with their medical expenses

The Athenaeum ,1903 **Psychology** ,1929 **The Critic** Jeannette Leonard Gilder,Joseph Benson Gilder,1898 **The Book of Life** Barbara Katz Rothman,2001-04-19 The much heralded completion of the human genome project in the year 2000 raises urgent questions Do we now have a map of who we are How will we control the uses of the potentially healing but also likely destructive and highly marketable information genetics brings us Using her own life as well as her research Barbara Katz Rothman presents an impassioned defense for the theory that humans are not ready made from the factory as one recent popular book on genetics put it but social beings who grow mature and learn who they are *The Magnificent Goodness of God and How It Will Transform Your Life* Timothy Rowe,2012-07-10 The goodness of God is one of the most revolutionary truths of the Bible but our generation has lost faith in the goodness of God The image you carry in your heart of God and what He is like will dramatically affect your life character and destiny Do you believe God can be your hero Do you believe God has a good heart Do you believe that God can transform you into the type of Christian that you always wanted to be When we begin to understand and believe what it means when the Bible boldly declares that God is good always our lives will begin a breathtaking transformation as we rise up to be a mighty witness for our Lord Anyone who has been touched with the goodness of God cannot come away the same The goodness of God encompasses everything that God is and is a perfect representation of all His characteristics The goodness of God is the foundation of all His works plans and purposes If we are to understand what God is like we must first know that He is good and not evil The devil works tirelessly to keep the truth of the goodness of God lost in the mindset of this world and marshals all of his forces to cause confusion about the true character of our God The goodness of God is the pinnacle point of the spiritual battle that rages all around us Understanding the goodness of God is first and foremost in spiritual warfare because without this you can never stand for God faithfully
