Understanding The Islamic Scripture:

Understanding the Islamic Scripture Mustansir Mir, 2015-08-07 This book makes the Qur'an accessible to the English speaking student who lacks the linguistic background to read it in the original Arabic by offering accessible translations of and commentary on a series of selected passages that are representative of the Islamic scripture Mustansir Mir Director of the Center for Islamic Studies at Youngstown State University offers clear translations and analysis of 35 selected passages of the Qur'an that will help students understand what kind of book the Qur'an is what the scripture says and how it says it

The Koran for Christians Robert Wilson, 2015-04-06 If non Muslims are to understand Islam then they must first understand the Quran or Koran The Koran is written in Arabic but over 80% of Muslims are non Arabic speakers Islam means submission Jihad means struggle an individual's internal struggle against impure motivations and manifest behavior Jihad is often translated incorrectly according to some Muslims as holy war against all infidels or people of all faiths except Islam The Koran for Christians seeks to help Christians further their understanding of Islam and moderate Muslims and foster more positive interactions between the two faiths Much can be learned about Islam in a short time by understanding the Five Pillars of Islam the Articles of Faith and other basic tenets of a belief system held by millions *Understanding Islam and Christianity* Josh McDowell, Jim Walker, 2013-10-01 For years international apologist Josh McDowell has been alert to the challenge of Islam and how Muslims' objections to Christianity can raise deep doubts in believers' minds His recent on the ground research with Muslims in the Middle East has crystallized into this practical resource focusing on Jesus and the gospel Aided by Islam expert Jim Walker McDowell lays out the evidence on the crucial issues What kind of prophet was Jesus Was he the Messiah Son of God Son of Man What's that about How are God and Jesus related Can they both be God The gospel how could God dishonor his Son by letting him die horribly What good did his death do Aren't the Bible's accounts of Jesus corrupt With all this as well as background appendixes on the basics believers will have authoritative evidence from Scripture and history to intelligently deal with Muslims' questions about and challenges to Christianity **Reading the Bible in Islamic Context** Daniel Crowther, Shirin Shafaie, Ida Glaser, Shabbir Akhtar, 2017-11-08 In the current political and social climate there is increasing demand for a deeper understanding of Muslims the Qur'an and Islam as well as a keen demand among Muslim scholars to explore ways of engaging with Christians theologically culturally and socially This book explores the ways in which an awareness of Islam and the Qur'an can change the way in which the Bible is read The contributors come from both Muslim and Christian backgrounds bring various levels of commitment to the Qur'an and the Bible as Scripture and often have significantly different perspectives The first section of the book contains chapters that compare the report of an event in the Bible with a report of the same event in the Qur'an The second section addresses Muslim readings of the Bible and biblical tradition and looks at how Muslims might regard the Bible Can they recognise it as Scripture If so what does that mean and how does it relate to the Qur'an as Scripture Similarly how might Christian readers

regard the Qur'an The final section explores different analogies for understanding the Bible in relation to the Qur'an The book concludes with a reflection upon the particular challenges that await Muslim scholars who seek to respond to Jewish and Christian understandings of the Jewish and Christian scriptures A pioneering venture into intertextual reading this book has important implications for relationships between Christians and Muslims It will be of significant value to scholars of both Biblical and Qur'anic Studies as well as any Muslim seeking to deepen their understanding of the Bible and any Christian looking to transform the way in which they read the Bible

[A Concise Guide to the Quran](#) Ayman S. Ibrahim, 2020-11-03

What is so unique about Islam's scripture the Quran Who wrote it and when Can we trust its statements to be from Muhammad Why was it written in Arabic Does it command Muslims to fight Christians These are a few of the thirty questions answered in this clear and concise guide to the history and contents of the Quran Ayman Ibrahim grew up in the Muslim world and has spent many years teaching various courses on Islam Using a question and answer format Ibrahim covers critical questions about the most sacred book for Muslims He examines Muslim and non-Muslim views concerning the Quran shows how the Quran is used in contemporary expressions of Islam answers many of the key questions non-Muslims have about the Quran and Islam and reveals the importance of understanding the Quran for Christian Muslim and Jewish Muslim interfaith relations This introductory guide is written for anyone with little to no knowledge of Islam who wants to learn about Muslims their beliefs and their scripture

Professors and students in courses on Islam and the Quran will find this to be an invaluable resource as will pastors and missionaries who minister among Muslims Written at a readable level any Christian who wants to learn more about Islam and the Quran will find it to be a rich and informative introduction The Complete Idiot's Guide to Understanding Islam, 2nd Edition Yahiya Emerick,2004-11-02 An up close and up to date look at an often misunderstood faith This completely revised and updated guide explores the tenets of the Qu ran a k a Koran examines the history of the religion and its relationship to Christianity and Judaism and features an expanded section on the true story behind jihad It explores Islamic views on war and terrorism including the Muslim perspective on the tragic events of September 11 and the subsequent U S presence in both Afghanistan and Iraq Excellent sales for the first edition Islam is the fastest growing religion in America with more than six million devoted followers Features an expanded section on women in Islam including their status within the Taliban and the Islamic practice of polygamy Guide to Understanding Islam Ender TOSUN, The Key to Understanding Islam Abdurrahman Al-Sheha,2018-07-02 This book explains that Islam is a code of living that covers all aspects of life It comprises a set of acts of worship some verbal some practical and others that are constituents of belief All of them play important roles in placing morality on a solid foundation and in strengthening the good qualities in people so that they are keen to follow the right path ensuring social unity and strengthening bonds within the community The Complete Idiot's Guide to Understanding Islam Yahiya Emerick,2004 Dispelling the popular myths about Muslims and Islam this is a beginners guide to the history and development of Islam and the Muslim faith The Everything Koran Book Duaa Anwar,2004-10-07 Recent events have caused tremendous interest in the Muslim religion yet very few people understand its important tenets as outlined in its holy book the Koran The Everything Koran Book written by Duaa Anwar an Egyptian Muslim raised in the United Arab Emirates is your essential reference to understanding the principle teachings of Allah as revealed in the 114 chapters of the Koran Offering a wealth of information on the history and significance of this holy book as well as important translations and interpretations of key passages The Everything Koran Book helps you discover the fundamental truths behind this 1 400 year old religion Readers learn to Comprehend the true teachings of the Muslim faith Discern truth from fiction Interpret Muslim symbols Know how Muslims celebrate holy days Understand Muslim law and social practices Grasp the Koran s teachings on the hereafter The Everything Koran Book is your one stop resource for understanding and appreciating this sacred text of the Muslim faith *Quranic Teachings in a Nutshell* Yaqub Jafari,Ali Quli Qarai,2021-06-22 The Holy Qur an is for Muslims the most reliable source for a correct understanding of the teachings of Islam and knowledge of this religion The comprehensiveness of the Qur an which includes topics such as the origin of the human race the purpose of creation the missions of the prophets and their accounts resurrection and afterlife ethical teachings and norms as well as laws and precepts governing individual and social conduct and many other topics besides is such as to satisfy every human being s thirst for revealed knowledge in a world bewildered by materialist worldviews Although the Arabic Qur an is the most

widely read and recited of books throughout the Muslim world its teaching and message are not accessible to the great majority of non Arab Muslims except through the medium of translation Even in languages which have competent translations of the whole Qur an topically arranged selections of translated verses can be most helpful as vital aids to a better understanding of Islamic teachings on various issues In addition to works that introduce non Muslims readers to the role of the Qur an in the formation of Islamic culture and spirituality and those which describe its major themes topical selections of verses and passages are also useful to make the book s contents accessible to many readers who lack the time and or motivation required to explore the Islamic scripture in its entirety In fact topical selections are even more essential for non Muslims who while curious to obtain a first hand acquaintance with its contents often find the arrangement and style of the Qur an to be daunting and lack the patience to navigate a text which loses in translation much of the linguistic excellence and audible beauty and resonance of the Arabic original The present selection does not claim to be exhaustive as the range of topics dealt with in the Qur an or those which may be of significant or even urgent relevance for certain readers is much greater than can be covered in a book of modest length and scope as the present one

Understanding Islam - A Guide to the Koran and Its Teachings Lars Jensen,2024-06-16 Understanding Islam A Guide to the Quran and Its Teachings is a profound work that delves into the principles and essence of Islam offering a comprehensive analysis of the teachings contained in the Holy Quran This book is a valuable resource for those seeking a better understanding of the Muslim faith exploring its fundamental precepts values and traditions With an accessible and informative approach the author provides a clear and enlightening insight into Islamic culture and its significance in the contemporary world This work is essential for those seeking to comprehend the beliefs and practices that shape the lives of Islam followers

Understanding the Hadith Ram Swarup,2011-04-29 Noted Indian writer and polymath Ram Swarup explores the meaning of Islam through the words of the Sahih Muslim considered by Muslims to be one of the most authoritative of the collections of traditions Arabic Hadith about the life of the Prophet Muhammad Like the Koran these traditions are believed to be divinely revealed by Allah and they complement the verses of the Koran in many cases expanding upon them and explaining the context of their revelation As Swarup notes in his introduction to Muslims the Hadith literature represents the Koran in action stories of revelation made concrete in the life of the Prophet Among the orthodox they are considered as sacred as the Koran itself Swarup is plainly skeptical of the claim that the Hadith literature is divinely inspired In the introduction he says The Prophet is caught as it were in the ordinary acts of his life sleeping eating mating praying hating dispensing justice planning expeditions and revenge against his enemies The picture that emerges is hardly flattering One is left to wonder how the believers generation after generation could have found this story so inspiring The answer is that the believers are conditioned to look at the whole thing through the eyes of faith To them morality derives from the Prophet s actions his actions determine and define morality The Sahih Muslim a massive work consisting of 7 190 traditions divided into 1 243

chapters is hardly accessible to the average reader so Swarup quotes representative selections that touch upon the main tenets of Islam faith purification prayer fasting pilgrimage marriage and divorce crime and punishment religious wars jihad paradise hell repentance and many other features of the religion To non Muslims this work provides many insights into the mindset of the average Muslim who is raised on these traditions about Muhammad It also underscores the gulf that exists between the sanctum of orthodox Islam and an increasingly secularized Westernized world **The Qur'ân's Self Image**

Daniel Madigan,2001-06-18 What does the Qur'an mean then when it so often calls itself Kitab a term usually taken both by Muslims and by Western scholars to mean book **Understanding Islam** Abad Ahmad,2023-05-25 Most of the great

religions of the world began with the need to reform individuals and society especially when there was large scale moral degeneration But over time their essence became obscured by politics and rhetoric leading to misinterpretation and fundamentalism Islam is no exception Understanding Islam examines the true spirit and essence of the religion based on its original scripture the Holy Quran and how far it has moved away from its spirit and values Using Abdullah Yusuf Ali's translation The Meaning of Glorious Quran Text Translation and Commentary as well as Wahiduddin Khan and Farida Khanam's translation The Quran the author discusses the Quranic invalidity of the interpretation of the religion by hardliners and counters prevailing distortions in the interpretation of some of the verses that only serve divisive and extremist agendas The book also sheds light on simple yet profound questions of right and wrong divine mercy and wrath trials and prayer life and the afterlife A moving and deeply spiritual read Understanding Islam is a must read to comprehend the true nature of Islam **Understanding Islam** Chris Hewer,2014-07-28 This book is designed to take people on the first steps in
