Christian books readers can also locate this great Christian book through our favorite Christian book list Christian book review and various publications that track Christian book sales New African American Christian author Kevin Wayne Johnson highly recommends this foundational book to men women and teens to know God and do His will in our lives Gender Is a Choice Grace Alice Mukasa, 2018-10-31 Gender Is a Choice is a remarkable book that thoughtfully demystifies gender discrimination It shows the underlying causes of discrimination which lie deep in our cultures Based on the human rights perspective of equality and dignity Ms Mukasa reaffirms that we are all born equal without gender bias or prejudice and we all share a propensity to learn grow and maximize our innate potential to lead meaningful happy lives However societies have views based on cultural norms attitudes and beliefs that lead to unequal gender relations of power As a result many women and girls suffer This highly educational book highlights the key gender concepts and gives them meaning through a practical family portrait at the end Ms Mukasa decisively affirms that despite powerful socialization processes gender injustice can be overcome The key issue to transform is the traditional socialization process The main tool is to create awareness of the embedded negative aspects concerning women s and men s relationships It calls upon men and women to appreciate that the current gender relations of power are unnatural and unacceptable They are man made and can be dismantled using our agency to make the right choices Women s disempowerment can be disrupted and gender justice can be promoted This book is relevant to all people since gender discrimination is universal and has universally negative consequences Gender discrimination must therefore be disrupted everywhere every time by everyone However Ms Mukasa makes her own choice to focus on the African gender context and the audience whose culture she understands best **Seeking the Lost, Keeping Them, Making Them Disciples** Dr. Benoit Petit-Homme, 2018-08-27 Seeking the Lost Keeping Them Making Them Disciples By Dr Benoit Petit Homme God bless Dr Benoit Petit Homme for all the work he has done in putting this book together I believe that any church or leader who will follow these biblically grounded principles will see beautiful results in changed lives for the kingdom Teresa L Reeve PhD Associate Dean Seventh day Adventist Theological Seminary Associate Professor of New Testament Contexts Andrews University United States of America Dr Benoit Petit Homme s contribution to the discipleship crisis is a compelling re examination of scripture church history and 21st century pastoral experience Practical and convincing his straightforward style brings real solutions to the evangelistic Achilles heels of attrition He reminds us of what has been forgotten and calls us back to our relational roots Pr Ron Kelly Senior Pastor Village Seventh day Adventist Church Berrien Springs Michigan United States of America Seeking the Lost Keeping Them Making Them Disciples by Dr Benoit Petit Homme is a handy Christ based discipleship resource that will contribute to the mission of training and equipping church ministry leaders in the evangelistic work of reaping retaining and nurturing new believing Christians This is a must read for church officers pastors and ministry directors in the Christian church Ron C Smith PhD D Min President Southern Union Conference of SDA Every year many thousands of people hear the Good News of Jesus Christ

and choose to be baptized and join a church community Unfortunately it is also true that every year many new converts leave a church relatively shortly after joining The specific reasons that each person leaves the church could fill a book by themselves but they all boil down to one thing a lack of focus on the part of the church community on turning converts into disciples of our Savior A disciple of Christ does more than attend church services A disciple is an active member of the church community A disciple is a witness to others A disciple seeks to grow the church by seeking to lead everyone they meet to Christ Dr Benoit Petit Homme is a committed disciple of Christ and after extensive study of exactly why new converts leave the church he has developed a process by which any church can make disciples All it takes is a little extra work a bit of encouragement and an unwavering faith in the Lord The Battle for Moses's Dead Body Worrell Hylton,2009-07
