Discovery of Prehistory Ancient India Dr. Jagat K. Motwani, 2018-02-22 Nationalist and Revolutionary While a high school student I actively participated in the Mahatma Gandhi's 1942 movement Quit India I felt disappointed because only a few prominent leaders like Gandhi and Nehru were imprisoned On Sept 9 1945 under the patronage of the Dadu District British Collector the town dignitaries including my grand father and Mr Tuljaram Nagrani the principal of the town High school along with the matriculate students had assembled at the Hindu temple to celebrate the victory of the Allies at the WW II Sweets were distributed I threw the sweets on the floor The reason I did this was not because I sided with the Axis powers But because Indian soldiers were fighting for Britain as India was not a free country Next morning the Principal got me in his office and whipped me several times on my palms and ordered me to leave the school and come back with my parent The principal told my father that Jagat to pay a fine of Rs 5 and threatened that in case of denial I will be rusticketed expelled from school as a bad character student and no school would admit me I am proud of my father that he said that only Jagat to decide I said that paying fine means admission of the guilt In my opinion it was not a guilt I with recommendation of my class teacher Mr Chandnani got admission in the P H High School Dadu only about 50 miles away from my home town In 1947 on the eve of partition there was an accidentally bomb explosion in Karachi suspected of an RSS activity Several RSS leaders were arrested A Khalsa police officer secretly alerted my grand father to hide me to avoid arrest I along with a few RSS pracharaks secretly reached Karachi to take a ship for Okha Gujarat then train to Baroda In 1948 Mahatma Gandhi was assassinated by Nathuram Godse Because Godse was an RSS member the whole RSS all over India was banned I participated in the collective protest against the injustice of punishing the whole RSS organization because of the crime by its only one RSS member Whole family can not be punished because of the crime of its one member I was imprisoned in Baroda jail for four months Thousands of RSS members all over India were imprisoned Dr Jagat K Motwani

Pre-Flood Civilizations and Their Sumerian Origins Ryan Moorhen, 2025-08-30 Book 4 Pre Flood Civilizations and the Sumerian Origins plunges readers deep into the oldest myths and memories of humanity where history theology and cosmic mathematics intertwine At its heart stands the Sumerian King List a document that recounts the reigns of antediluvian kings who ruled not for decades but for tens of thousands of years Their extraordinary longevity totaling 432 000 years transforms political history into a

cosmic drama an age when kingship itself descended from heaven and human order was bound directly to the divine This volume explores the blurred line between myth and memory From the first city of Eridu seat of the god Enki and the cradle of civilization to Shuruppak and the flood traditions that echo through Mesopotamia the text shows how ancient peoples anchored fragile societies in eternal rhythms It examines how reign lengths were tied to astronomical cycles how myths of Alulim En men dur ana and Ubara Tutu may conceal dim memories of real rulers and how the theology of divine kingship legitimized authority while binding it to cosmic law Comparisons with Genesis Hindu yugas and global flood traditions reveal a shared human impulse to structure time through sacred numbers and archetypal rulers Richly weaving archaeology mythology and comparative cosmology this book is more than an analysis of ancient texts it is a meditation on how civilizations conceived of eternity decline catastrophe and renewal It speaks to the weight of time the resilience of kingship and the enduring human need to find meaning in these cycles of history

None but India (Bharat) the Cradle of Aryans, Sanskrit, Vedas, & Swastika
Jagat K. Motwani Ph.D,2011-01-20 The divide between the North Indians and the South Indian Dravidians was created by the two British initiated theories of the Aryan invasion of India AII and the Indo European family of languages IE Both the theories AII and IE were mischievously engineered by the British with their colonial and missionary agenda guided by their world known notorious policy Divide and Rule According to the AII Aryans invaded India in about 1500 B C and got settled in North and forcibly pushed dark skinned Dravidians to South Aryans brought Sanskrit and composed the Vedas The Dravidian Tamil Telugu Kannada and Malayalam are the native languages of India not Sanskrit With abundant historical irrefutable evidence it has been established that the alleged invading Aryans were originally from Aryavarta India who had gone overseas earlier than 1800 B C for trade and had established their Vedic kingdoms in several countries Even Greece was colonized by the Indo Aryans When in trouble in about 1500 BC some of them attempted to return to India the land of their ancestors The rest were culturally absorbed The returning Aryans were mistaken as invaders because they were traveling in armored horsedrawn chariots It was their return to not invasion of India Because of long cohabitation between Sanskrit speaking Aryans and Europeans as the result of Indian colonization Sanskrit influenced several European languages particularly Greek and Latin Resulting philological resemblances prompted Sir William Jones to theorize the IE that Sanskrit and European languages have a common origin It has been proved that Sanskrit and European languages do not have a common origin and that there is significant resemblance between Sanskrit and the Dravidian languages much more than between Sanskrit and European languages

existence **Atlantis** Emmet John Sweeney, 2010 Historian Emmet Sweeney persuasively intertwines history and literary references with hard science from archaeology and anthropology to genetics and geology to prove the existence of an ancient trans Atlantic link between the Old World and the New Sweeney examines The geological certainty of a sunken island in the Azores The Human Genome Project s startling revelation that 3% of Native American DNA is characteristic of people of south west Europe and the Atlas Mountains whose inhabitants as late as Roman times called themselves Atlanteans Archaeological and cultural proof of a relationship between the Stone Age and Early Bronze Age civilizations of North America and South West Europe The occurrence of cocaine and tobacco two American narcotics in many Egyptian mummies Piece by piece Sweeney constructs a compelling case for not just the probability but the necessity of an Atlantic stepping stone the missing link that transmitted both the culture and biology of Europe to America millennia before Columbus Atlantis The Evidence of Science argues as never before that Atlantis should rise to take its place in history not myth **YUGA SHIFT** BIBHU DEV MISRA, 2023-12-15 Almost every ancient culture believed that human civilization and consciousness has progressively declined since an erstwhile Golden Age till the current age of greed and lies discord and strife called the Kali Yuga But when does the Kali Yuga end And what happens after that In this extensively researched book Bibhu Dev Misra has delineated the common threads that run through the Yuga Cycle doctrines of ancient cultures taking the aid of scientific discoveries wherever available His reconstruction of the original Yuga Cycle framework indicates that the end of the Kali Yuga is just around the corner in 2025 Within a span of just 15 years by the year 2040 the Kali Yuga civilization is likely to collapse due to a combination of global wars environmental catastrophes and comet impacts The survivors will inherit a renewed earth bathed in the divine light of the Central Sun Is there any scientific evidence in support of the Yuga Cycle What drives the sinusoidal fluctuation in our physical size and consciousness in course of the Yuga Cycle Why do cataclysmic obliteration of civilizations occur after every Yuga What do we make of the end time prophecies which tell of a Savior or Avatar returning at the end of the Kali Yuga These are some of the key questions addressed in this book This riveting and thought provoking work contains one of the most important messages of our time Anunnaki Lunar Waystation Riddick Dawson, 2025-10-07 High above the plains of ancient Sumer a silver light once guided the gaze of priests kings and watchers of the heavens They called it the seat of the gods a celestial threshold where the Anunnaki observed the earth below From this mysterious outpost the moon became more than light it became law rhythm and revelation Its rulers Nanna and Ningal were not mere deities of night and fertility they were the keepers of time the custodians of reflection and the silent intermediaries between heaven and earth Anunnaki Lunar Waystation explores the profound theology of the moon as the Anunnaki s cosmic base of operations the mirror between the mortal and the divine Through long forgotten hymns temple liturgies and astronomical rites it traces how lunar worship shaped the empires of Ur Harran and Babylon and how its wisdom endured through Persia Greece and Rome Here the moon is revealed as both archive and oracle its cycles encoding the sacred science of resurrection

moral order and cosmic balance From the shimmering ziggurats of Ur to the shadowed manuscripts of Hermetic mystics the moon's role as Anunnaki waystation reemerges a cosmic gateway used by the gods later veiled in myth and ritual The journey follows the transformation of this lunar theology through Gnostic reflection alchemical rebirth and medieval mysticism revealing how the same silver principle of renewal survived every empire and creed Was the moon a living archive a vessel of divine intelligence a base of celestial oversight Did its worship conceal memories of the gods who once walked the earth and then watched from the sky In Anunnaki Lunar Waystation the ancient mystery of Nanna and Ningal returns in full cosmic light a story of reflection rebirth and the timeless rhythm by which the gods themselves measured eternity *Finding Our Center* Heather M. Ensworth, 2009-11-25 Integrating astrology mythology and spirituality this book is a reflection on the themes of the astrological ages across the past 13 000 years and is an exploration of what astrology has to tell us about the meaning of the changes happening globally and culturally in this time We are currently on the cusp of the Age of Aquarius at the end of a 26 000 year precessional cycle and according to ancient prophecies at the close of a world era With the recent discovery of the planetoids Sedna and Eris new forms of consciousness are entering our awareness Through listening to the messages of the stars and planets we find guidance for our lives in this intense time of change We live in a sentient universe which is calling us back into relationship with the cosmos and with the Earth In remembering our source the galactic center reconnecting with the spirit in all of life and in becoming centered within ourselves we gain meaning and wisdom for who we are and who we are becoming and find a path for the healing and evolution of ourselves and our Earth

Race and Practice in Archaeological Interpretation Charles E. Orser, 2004 Charles E Orser Jr argues that since race has been used implicitly in archaeology for more than 100 years the issue must be addressed directly despite the long history of debate denial and ignorance
